Dear Planning Commissioners and members of the Board of Supervisors,

I am honored to be a part of this development and work for the land ownership. In my two years with the company I have seen the care and concern they have shown for the environment and community at large making me proud to be part of this team.

I write today to express my full support of the Guenoc Valley Mixed-Use Project.

I look forward to seeing the exciting and positive momentum for growth this project will create in our community!

Best Regards,
Tiffani Moore
