Dear Members of the Board of Supervisors and Planning Commissioners,

I am writing today to express my support of the Guenoc Valley Mixed-Use Project.

As a frequent visitor to Lake County I hold the natural areas in the county in high esteem and have spent many hours enjoying the richness of this beautiful county.

The Guenoc Valley Mixed-Use Project has done an exemplary job of following the Lake County General Plan, the Middletown Area Plan, and the economic development plan. The balance of sustainability, smart growth land-use techniques, married with an ultra-luxury high-end hospitality model, provides an opportunity for Lake County to revitalize the historical resort community that it once was. The proposal has taken great steps to restore and preserve the natural habitat of the ranch to the benefit of the unique flora and fauna.

I am excited about this project and hope you are as well. I urge you to vote yes in support of this project and its contribution to the community's economic vitalization.
