Sealed Bid #23-15
Law Enforcement Night Vision Binocular and Helmet Mount

We are NightVision4Less, a specialty store that has been in business since 2003. We are proud to carry the best selection of equipment that can be found anywhere. Our business is truly different in that we don't just sell the products, we are very experienced night vision enthusiasts who use and test these optics on a regular basis. We specialize in only night vision and thermal products, stressing the highest quality, at the best prices.

NightVision4Less supplies many agencies around the country, and can supply references if needed, including:
East Baton Rouge SWAT and Sheriff, LA
City of New Iberia, LA
York County Sherriiff, SC
Rock Springs Police Dept, WY
Palestine Police Dept, TX
Somerville Police Dept, MA
Wilson County Sheriff, TN

We sell the units you are looking for, the ARNVG on a regular basis, along with the Wilcox Mounts. We will supply at a minimum, the Mil Grade tubes with a 2400+ FOM, and even upgrade to Aviation Grade with similar specs, if available.

We will also offer an extended 10 year warranty on the tubes and housing of the ARNVG

We can usually ship in a timely manner, depending on when order is received, usually between 15~45 days

Our attached response includes all the pricing on how NightVision4Less can supply you.

We are excited to work together.

Thank you for your time and consideration, we look forward to hearing from you.
