

COUNTY ADMINISTRATIVE OFFICE

Board of Supervisors

Fund 001 Budget Unit 1011

Susan Parker,
County Administrative Officer

BUDGET OVERVIEW

- The five-member Board of Supervisors (BOS) serves as executive and legislative governing body for the County of Lake, pursuant to State law
- The Board establishes County priorities and operating policies, adopts ordinances and ensures mandated functions are properly discharged
- The Board directs financial resources through adoption of the annual County budget, selects and supervises non-elected County department heads, makes important land use decisions and provides an informed framework to prepare for the County's future
- Board Members concurrently serve as Directors of numerous Special Districts and entities
- This is a General Fund budget unit, financed by General Fund discretionary revenues. Requested appropriations are needed to maintain normal operations in the Board's office and provide for Board travel to various meetings and conferences.

BUDGET OBJECTIVES

- Save Lake Pillsbury
- Implement Effective Internship Programs
- Advocate for Climate Resiliency and Forest Health Priorities
- Save the Hitch and Promote the Health of our Water Resources
- Support Effective Strategic Planning to Promote Housing and Economic Development and Fund Transportation and Water Infrastructure Priorities
- Oversee and complete the Lake County 2050 General Plan and Local Area Plan Updates

COUNTY COUNSEL

County Counsel

Fund 001 Budget Unit 1231

Lloyd Guintivano,
County Counsel

BUDGET OVERVIEW

- The Office of the County Counsel is presently composed of the following staff: County Counsel, four staff attorneys, one senior legal administrative assistant, and one risk analyst.
- This office provides legal advice and assistance to the Board of Supervisors and all County departments. We also advise various County commissions, boards, and agencies. Legal advice and assistance may involve, but is not limited to, issues relating to land use, employment, taxation, contracts, public works, water rights and water resources, personnel, conservatorships and probate, juvenile dependency, mental health, parks, sewers, water systems, landfills, real property sales and acquisitions, elections, public records, and law enforcement.
- This office maintains case loads and departmental priorities to the greatest extent possible, and we continue to work with all departments in a collaborative and congenial manner. Given the confidential nature of our work, it is difficult to provide more than generalities.
- This office prepares findings of fact for various administrative matters before the Board of Supervisors and responds to writs of habeas corpus, prohibition, and mandate.
- This office provides Brown Act, County policy, and public agency ethics training to various County departments, boards and committees.

BUDGET OBJECTIVES

- Continue to provide comprehensive legal services to the Board of Supervisors and County departments.
- Conduct additional trainings to benefit departments regarding the Brown Act, County policy and other ethical guidelines for local agencies.
- Obtain case management software for this office's implementation and use.
- Explore internship program for the office.
- Coordinate processing of records requests with other County departments.

PUBLIC SERVICES
Buildings and Grounds
Fund 001 Budget Unit 1671

Lars Ewing,
Director

BUDGET OVERVIEW

- Maintenance, repair, and improvement of approximately 60 county-owned facilities totaling 350,000 square feet of building space, and staff assistance and technical expertise for an additional leased facilities totaling 170,000 square feet.
- Facilities maintenance staff consists of one facilities maintenance superintendent, one facilities maintenance supervisor, six facilities maintenance technicians/workers, and four janitors, who collectively perform work for maintenance, repair, and minor building improvements involving carpentry, plumbing, electrical, mechanical, HVAC, welding, equipment mechanics, locksmithing, mold remediation, cleaning, and more.
- Capital project management staff consists of one capital project manager and seasonal project-based extra-help who manage contract efforts for larger capital projects.
- The primary source of funding for this budget unit is the General Fund. Self-funded departments are billed for facilities maintenance services through the county cost allocation plan or direct billings. Additional revenue is generated from lease agreements with telecommunications companies for antenna space on the courthouse roof, various other facility leases and public community room rentals, and the Administrative Office of the Courts for prorated share of maintenance and repairs to common courthouse areas. Lastly, capital project staff hours are largely reimbursed from capital project appropriations.

BUDGET OBJECTIVES

- Prioritize preventative maintenance to reduce long-term costs through the allocation of sufficient funds and resources toward a structured preventive maintenance program to extend the life of county buildings and infrastructure, reduce emergency repairs, and ensure the safety and functionality of all facilities.
- Deliver planned capital improvement projects.
- Collaborate with Admin, Public Works, Special Districts, and Water Resources to prepare a countywide five-year capital improvement plan.
- Maintain adequate staffing and ongoing training to keep staff updated on new technologies, safety protocols, and building code changes.
- Plan for the inclusion of an enhanced asset management and work order system in the county ERP.

WATER RESOURCES
Lakebed Management
Fund 133 Budget Unit 1672

Pawan Upadhyay,
Director

BUDGET OVERVIEW

- Budget Unit 1672 supports the maintenance and enhancement of navigation, aquatic life, habitat, commerce, and recreation in and around Clear Lake.
- Funding sources include lakeshore construction permit fees, aquatic vegetation control permit fees, and lake encroachment lease payments.
- Core activities include plant and algae control, buoy maintenance, and water and sediment quality monitoring.
- The unit also manages permits for lakeshore construction and lakebed encroachment.
- The goal is to ensure a balanced use of Clear Lake that supports both environmental and recreational needs.

BUDGET OBJECTIVES

- Continue providing safe navigation through herbicide use, harvesting, and regulatory and warning buoy placement.
- Enhance enforcement of unpermitted lakebed structures and increase lease compliance.
- Maintain consistent water quality monitoring for Clear Lake and its tributaries.
- Continue to develop and share outreach and education materials on Clear Lake water quality.

WATER RESOURCES
Flood Corridor Maintenance
Fund 136 Budget Unit 1674

Pawan Upadhyay,
Director

BUDGET OVERVIEW

- The Flood Protection Corridor Program supports the future implementation of the Middle Creek Flood Damage Reduction and Ecosystem Restoration Project.
- The County currently owns and maintains over 40 flood-prone properties within the Middle Creek Project area.
- Remaining parcels will be purchased from willing sellers using a \$15 million grant from the California Department of Water Resources (DWR).
- This budget supports regular maintenance, structure demolition, and removal or relocation from acquired parcels.
- The program plays a critical role in advancing flood mitigation and ecosystem restoration efforts.

BUDGET OBJECTIVES

- Prioritize use of DWR grant funds to purchase as many parcels as possible from willing sellers within the Middle Creek Project area.
- Continue maintenance and demolition for properties acquired through the grant.
- Actively participate in the Middle Creek Project Committee to support planning and implementation.
- Maintain engagement with Tribal communities, DWR, legislators, property owners, PG&E, and the Army Corps of Engineers.
- Continue routine maintenance and illegal dumping prevention in the project area.

DEPARTMENT OF PUBLIC WORKS

Engineering and Inspection

Fund 001 Budget Unit 1908

Vacant,
Director

BUDGET OVERVIEW

- This budget unit was established to fund the activities of the Engineering and Inspection Division. Revenues are received from the recipients of this Division's services as well as a general county fund contribution for the Surveyor functions.
- The Design Engineering segment provides for the design or oversight of contracted professional services for a wide variety of Public Works projects serving county roads, bridges, drainage structures, bikeways, pedestrian facilities, parks, county building improvements and modifications, support facilities and other engineering or architectural needs.
- The Design Engineering segment provides for the design or oversight of contracted professional services for a wide variety of Public Works projects serving county roads, bridges, drainage structures, bikeways, pedestrian facilities, parks, county building improvements and modifications, support facilities and other engineering or architectural needs.
- The Surveyor segment is responsible for checking and processing Parcel and Subdivision Maps, Final Maps, and Records of Survey for accuracy and compliance with county ordinances and with the Subdivision Map Act of the State of California. Additionally, staff reviews and recommends conditions to the Community Development Department on all tentative parcel and subdivision maps, voluntary mergers, lot line adjustments, waivers, zoning maps, certificates of compliance, and related proposals. They also prepare related agreements and resolutions for Board of Supervisors' approval. The Surveyor segment is responsible for the preparation of maps and legal descriptions for fee title deeds and easements for a variety of public works projects; and for the formation of, or boundary changes for, special Service Areas, Maintenance Districts, Assessment Districts, and jurisdictional boundaries such as Supervisorial Districts. This segment also oversees the County Master Address Grid System; processes request for naming of roads and road name changes.
- The "Property Services" segment includes the obtaining of professional property appraisals, developing agreements with property owners or their agent's relative to purchase of land and easements for public improvement purposes. This segment negotiates and formalizes leases of county facilities (airports) and manages such leases. Additionally, staff processes those actions necessary to dispose of surplus county property, easements, and similar assets.

BUDGET OBJECTIVES

- Secure funding for various road improvement projects through available State and Federal sources.
- Prepare construction plans for the next phases of the 10-year pavement rehabilitation program.
- Complete right of way acquisition for the South Main Street/Soda Bay Road project.
- Complete the construction of the Cobb Area Roads project.
- Complete the procurement process and construction of the First Street over Clover Creek Bridge Project.

COUNTY ADMINISTRATIVE OFFICE
Geothermal Resource Royalties
Fund 118 Budget Unit 1918

Susan Parker,
County Administrative Officer

BUDGET OVERVIEW

- This Budget Unit is used to account for Geothermal Resource Royalty payments received from the Federal and State governments.
- This is a non-General Fund revenue source.
- The portion of these revenues received from the State are commonly referred to as AB 1905 funds and have some restrictions.
- Funding from this Budget Unit consists of projects to mitigate the impact of geothermal development, maintenance, planning and resource management and various other special projects.

BUDGET OBJECTIVES

- Funding from this Budget Unit will be transferred to responsible departments for algae, aquatic weed and quagga mussel programs impacting Clear Lake, Resource Planner services and Deputy Sheriff Patrol in Middletown.
- This Budget Unit contains funding required to be used for mitigation efforts in the Geothermal area.
- Funding allocations have historically supported Cobb Area Community Parks and Trails and other qualifying activities that mitigate community impacts of Geothermal development.

AUDITOR-CONTROLLER/COUNTY CLERK

Disaster Response and Recovery

Fund 110 Budget Unit 1920

Jenavive Herrington,
Auditor-Controller/County Clerk

BUDGET OVERVIEW

- Fund 110 is a special revenue fund, and it is funded day-to-day through State and Federal administrative payments and interest revenue.
- The budget unit was established to assist with tracking and claiming of County costs as they relate to declared disasters.
- Since 2015, the Disaster Response and Recovery budget unit has taken on the financial administration of fourteen declared disasters.
- All events except for the Rocky and Jerusalem Fires are still eligible for audit which leaves us with 21 million dollars in unaudited public assistance proceeds.

BUDGET OBJECTIVES

- Closeout complete projects and transfer funds to departments as applicable.
- Maintain readiness for future disasters and increase training and development for staff.
- Finalize past closeout requests through the CalOES Engage portal.
- Collaborate with CalOES to determine a procedure to remit private property debris removal insurance collection payments.
- Prepare for future audits to ensure there is sufficient documentation to support our claims.

BUDGETED RESERVES

Reserve Name	Amount (Current & Changes)	Purpose
General Reserve	\$5,309,941	To ensure money is available in the event of a major disaster.
Audit Exceptions	\$4,000,000	To ensure there are monies available for any audit findings that cause a de-obligation of funds.
Advance Repay	\$3,419,286	To ensure monies are available to repay the advance received for Mendocino Fire as we were also paid in full for the event.
Insurance Proceeds Duplication	\$690,121	To re-repay FEMA/CalOES for the duplication of benefits where we received aid and insurance payouts.

COUNTY ADMINISTRATIVE OFFICE

Public Defender

Fund 001 Budget Unit 2111

Susan Parker,
County Administrative Officer

BUDGET OVERVIEW

- Pursuant to State and Federal law, legal representation must be provided to indigent defendants who, in the opinion of the Court, do not have the financial resources to retain the services of a private attorney.
- In addition to the legal proceedings funded by a flat fee, this Budget Unit includes funding for court ordered services to provide ancillary services including expert witnesses, verbatim transcription, interpreter services, polygraph testing, psychological evaluations, forensic testing and the cost of court appointed attorneys that are legally mandated when contract public defenders cannot serve because they have a conflict of interest with a case.
- The General Fund provides the majority of funding for this Budget Unit. Pursuant to AB 109, the Public Safety Realignment Act and AB 118, Realignment 2011, the State provides funding for revocation hearings of Post-Release Community Supervision persons.

CHILD SUPPORT SERVICES

Child Support Services

Fund 107 Budget Unit 2112

Tammie Widener,
Director

BUDGET OVERVIEW

- The Department is responsible for establishing paternity, child support, and medical support orders and enforcing those orders. As circumstances change, the department also modifies child support orders to get right sized orders that are enforceable.
- The Department strives to put children first by helping parents assume responsibility for the economic and social well-being, health, and stability of their children while recognizing the value of improved relationships with both parents.
- The Department of Child Support Services is a federally mandated program that is funded 66% by the Federal Government and 34% by the State.

BUDGET OBJECTIVES

- State DCSS is managing our technology services now; this change reduced our revenue approximately \$48,608. The reduction in our revenue will be covered by eliminating the Information System Analyst I/II position.
- Purchase a New 2025 Ford Explorer. This vehicle will replace a 2001 Dodge Durango, and will be used primarily for Outreach purposes, as the Durango has systematically broken down with age. The purchase of this vehicle is primarily funded with the salary savings by eliminating the Information System Analyst I/II position.

COUNTY ADMINISTRATIVE OFFICE

Domestic Violence Programs

Fund 180 Budget Unit 2115

Susan Parker,
County Administrative Officer

BUDGET OVERVIEW

- Pursuant to State and Federal law, legal representation must be provided to indigent defendants who, in the opinion of the Court, do not have the financial resources to retain the services of a private attorney.
- In addition to the legal proceedings funded by a flat fee, this Budget Unit includes funding for court ordered services to provide ancillary services including expert witnesses, verbatim transcription, interpreter services, polygraph testing, psychological evaluations, forensic testing and the cost of court appointed attorneys that are legally mandated when contract public defenders cannot serve because they have a conflict of interest with a case.
- The General Fund provides the majority of funding for this Budget Unit. Pursuant to AB 109, the Public Safety Realignment Act and AB 118, Realignment 2011, the State provides funding for revocation hearings of Post-Release Community Supervision persons.

SHERIFF
Sheriff-Coroner
Fund 001 Budget Unit 2201

Luke Bingham,
Sheriff-Coroner

BUDGET OVERVIEW

- Under State law, the Sheriff-Coroner is responsible for the delivery of law enforcement services to the unincorporated areas of Lake County as well as County-wide adult detention services and conducts legally mandated investigations. It also serves as the County's Office of Emergency Services and coordinates preparation and responses to local emergencies. The Office is responsible for delivering public safety and 911 dispatching services 24 hours, 7 days a week. It provides marine patrol on the navigable waters of Lake County, provides Search and Rescue services, a youth Explorer program, provides court security services, and operates the local County Adult Detention Facility. The Office, including Corrections, is comprised of 118 sworn and 39 civilian personnel. For more information, call (707) 262-4200, or visit www.lakesheriff.com.

BUDGET OBJECTIVES

- Providing baseline services in all areas continues to prove challenging given the struggle to attract, hire, and retain qualified employees. Staff will continue to use available tools such as social media and community outreach as well as monetary incentives provided by the Board of Supervisors, to fill vacant positions.
- Increase retention of qualified employees.
- Continue to meet timelines set for the design and remodel of the Armory of the new Sheriff's Office headquarters.
- Continue to improve coordination and cooperation with County Department's and Communities.
- Continue to provide proper training for all employees.
- Continue to provide employees with proper equipment and tools.

COMMUNITY DEVELOPMENT DEPARTMENT

Building and Safety

Fund 109 Budget Unit 2602

Mireya Turner,
Director

BUDGET OVERVIEW

This budget unit primarily supports:

- Leadership and Management of the Building Safety Division
- All Building Safety Inspectors, Technicians and all Building Safety related expenses
- Administrative support and leadership positions for the Community Development Division

BUDGET OBJECTIVES

Over the 25-26 FY, the Building Safety Division strives to:

- Remain conservative with revenue estimates, accounting for fee increases and increased project revenue anticipated, balanced with an unstable economy.
- Replenish Building Safety reserve to at least 5% of total budget this year.
- Continue to support overall Community Development Department operations, but with less contributions than the previous year.
- Using data from Open Gov, continue to assess fees and their support of division functions.

BUDGETED RESERVES

Reserve Name	Amount (Current & Changes)	Purpose
Building Safety	\$194,708	Replenish cash reserve to at least 5% of overall budget

ANIMAL CARE AND CONTROL

Animal Care and Control
Fund 001 Budget Unit 2703

Susan Parker,
Interim Director

BUDGET OVERVIEW

- Enforces local and state laws pertaining to the ownership and care of domestic animals.
- Provides rabies control efforts through the quarantine of biting animals, responding to loose and vicious dog complaints, a dog licensing program, and offering low cost rabies vaccinations to the community.
- Provides humane animal investigations, abatement of loose and nuisance animals (including livestock), animal rescue and disaster response services (LEAP), and by providing veterinary services to any stray domestic animal within the County of Lake as mandated.
- Operates a shelter with a holding capacity of 42 dogs, 90 cats, and nearly 24 assorted livestock.
- The facility is open to the public 6 days a week where they can retrieve lost pets, surrender of stray animals, purchasing of licenses, and viewing of available animals.

BUDGET OBJECTIVES

- Convert some Extra Help positions to .75 FTE / Additional 1.0 FTE positions
- Fulfill Truck Fleet Requirements
- Cameras / gated access – staff, animal, general public safety
- Adequate boarding for livestock aligns with best practices
- Sprinklers / alarms for suppression and notification

SHERIFF

Office of Emergency Services

Fund 001 Budget Unit 2704

Luke Bingham,
Sheriff-Coroner

BUDGET OVERVIEW

- The Lake County Sheriff's Office of Emergency Services ("Lake County OES", "Sheriff's OES" or "OES") is the lead agency for local emergency management for the County of Lake as defined by the Lake County Board of Supervisors (BOS) in Chapter 6, Article I of the Lake County Code. Emergency management is necessary to coordinate resources, maintain government operations and respond to the needs of Lake County when an emergency becomes a disaster.
- The OES Mission is to enhance the resilience of Lake County (the Operational Area) in the face of disaster. The Lake County Sheriff's OES meets its mission through activities focused on mitigation, preparation, response and recovery. This is accomplished by engaging County, City and Tribal governments, special districts, and public and private sector agencies.
- County emergency management plans such as the Emergency Operations Plan and Annexes and the Hazard Mitigation Plan are maintained by OES. OES facilitates training and exercises, plan updates and ensures plan compliance with local, state and federal laws.
- OES staff is comprised of a Director of Emergency Services (Sheriff/Coroner), Deputy Director (Lieutenant), Emergency Services Manager, Emergency Services Specialist, Sheriff/Coroner Administrative Manager, and OES Coordinator.

ANIMAL CARE AND CONTROL

Animal Medical Clinic

Fund 190 Budget Unit 2711

Susan Parker,
Interim Director

BUDGET OVERVIEW

- Provides medical needs for LCACC. It allows us to provide our own spays and neuters on site, as well as most of our medical needs. This In-house Medical Program provides a huge bonus for our department and the community. Since we are providing our own surgeries and medical care, the cost of adopting an animal has decreased and our euthanasia rates are declining as well.
- Services provided to the community, such as, the Community Cat Program and Low Cost Spay/Neuter allow much of the community to afford to spay/neuter their animals. The Animal Medical Clinic is able to exam all animals that are in our care where we can properly treat them for any illness or injury. In turn, our relationships with our rescue partners benefit as we are not transferring any illness or transmittable diseases. Overall, the Animal Medical Clinic allows for a better standard of care to be provided to all animals that come through the shelter.

BUDGET OBJECTIVES

- Continued effort to provide veterinarian services
- Implementing supply management best practices
- Purchasing equipment to meet industry standards and attract new talent
- Investment in the community by addressing essential needs
- Adding operational efficiency with data management and reporting

DEPARTMENT OF PUBLIC WORKS

Road Department

Fund 098 Budget Unit 3011

Vacant,
Director

BUDGET OVERVIEW

- The Road Maintenance Division is responsible for protecting and maintaining 613 centerline miles of public roads, plus 4 miles of CSA roads in the unincorporated area of the County. The Division also maintains 125 bridges and thousands of drainage culverts on County-maintained roads.
- The Division consists of 33 field employees stationed at three satellite road maintenance yards located in Lower Lake, Kelseyville and Upper Lake.
- The focus of this division's program is preventative maintenance and the protection of the public's investment in its road system. This program is accomplished by an aggressive approach with emphasis on drainage, patching and sealing of pavement surfaces and extensions of pavement life. Traffic safety is afforded through efforts to provide adequate visibility via control of vegetation by mowing, trimming, and herbicide spraying in addition to an aggressive pavement marking and roadside warning and regulatory sign maintenance program which assists the motorist's perception of roadway conditions. Accessory and complimentary roadside fixtures are also maintained by this division such as fencing, guardrails, barriers, etc.
- This division serves as a maintenance and labor resource for other divisions' needs, and the Division's employees all respond as needed to wildfire and winter storm emergencies.

BUDGET OBJECTIVES

- Continue training opportunities for entry-level staff members to help them advance in the future.
- Complete a county-wide chip seal program that will result in approximately 20 miles of pavement preservation.
- Continue to explore new technologies for roadway rehabilitation with the goal of expanding in-house rehabilitation work.
- Expand collaboration with City partners to develop larger scale road rehabilitation projects to attract more bidders and improve unit pricing.

BUDGETED RESERVES

Reserve Name	Amount (Current & Changes)	Purpose
Inventory	\$214,301	Value of materials on hand
Restricted	\$6,597,252	Reserve funds for the overall operations of the Road Division in the event of any funding interruptions or other unanticipated event
Restricted SB1	\$7,082,904	Funds set-aside from SB1, Senate Bill 1 for future and/or large-scale pavement rehabilitation projects

DEPARTMENT OF PUBLIC WORKS

Lampson Airport

Fund 132 Budget Unit 3122

Vacant,
Director

BUDGET OVERVIEW

- Budget Unit 3122 was established to fund the operation and maintenance of the county's only general aviation airport.
- Revenues are received from property leases, airport activity permit fees, a state grant, and contributions from the County general fund.
- Revenue for operations and improvements continues to be an issue for the Airport. When the land for the airport was donated to the County, the property owner who donated the land retained ownership of nearly all the land surrounding the field. As a result, all revenues from building rents or leases went to the owner instead of the County. Though the County has managed to purchase a hand-full of properties, the majority of the land surrounding the airport today is privately held.
- The County does receive an annual fee from aeronautical use permits issued to businesses that utilize the airport; however that revenue is not sufficient to adequately manage or support the operations of the airport.

BUDGET OBJECTIVES

- Continue removal of derelict aircraft;
- Develop an alternative fuel source on County-owned property that will result in a more reliable fuel source for pilots as well as generate revenue for the airport.
- Develop a process for charging all users of the airport a fee for accessing and utilizing the County runway property, in accordance with FAA regulations.
- Continue the operation of the pilots lounge.
- Recruit an Extra-help Airport Maintenance Worker

Lampson Field Capital Projects

Fund 923 Budget Unit 3123

Vacant,
Director

BUDGET OVERVIEW

- Budget Unit 3123 was established to fund capital improvements at Lampson Field. Revenues are received from Federal Aviation Administration (FAA), State grants and contributions from the County's general fund.
- Due to the lack of sustainable funding, all capital improvement projects are performed using funding from the FAA and their annual Aviation Improvement Program (AIP) grant funding of \$150,000 for small general aviation airports. These funds can be "banked" for a period not to exceed 4 years in order to perform larger improvement projects. Funds are now starting to accrue for future pavement repairs.

BUDGET OBJECTIVES

- Continue to explore funding sources for future improvement projects.
- Work with our consultant to stay current with FAA and Caltrans requirements, as well as develop plans for future projects.
- Complete Phase 1 and begin Phase 2 of the East Apron Pavement Rehabilitation - Designing
- Using General Fund contribution, complete preliminary plans for the development of hangars in the area south of the taxiway;
- Apply for a Wildfire Hazard Assessment Grant

HEALTH SERVICES
Environmental Health
Fund 170 Budget Unit 4010

Anthony Arton,
Director

BUDGET OVERVIEW

- Environmental Health is a regulatory agency whose mission is founded on public health, safety, and sanitation. Its primary services are permits and inspections for regulated businesses and land development. Services also include investigations, consultations with individuals and other agencies on health-related issues, and emergency responses to various incidents.
- Consumer Protection Group for retail food, public pools and spas, small state water systems, detention facilities, body art facilities, and other fixed facilities.
- Land Development Permit Group primarily for on-site sewage and water supply wells including abandonment.
- Local Enforcement agency for Waste Management and Hazardous Materials Group for businesses and emergency response.
- Office Services Group to support the division and customers.

BUDGET OBJECTIVES

- Continue working to strategically improve the CUPA program to better serve local businesses by providing educational outreach on complicated hazardous material laws and regulations.
- Optimize the use of HS GovTech Environmental Health software to support inspectors in the office and field and simplify office operations.
- Roll out Tobacco Retail Licensing program.
- Continue providing Food Safety classes to the community, encouraging and improving engagement, safety, and collaboration between facilities and the Division's regulatory functions.
- Transition to paperless office operations.

BEHAVIORAL HEALTH
Mental Health
Fund 145 Budget Unit 4014

Elise Jones,
Director

BUDGET OVERVIEW

- The FY 2025–26 proposed budget supports over \$61 million in appropriations, focusing on stabilizing essential behavioral health services, enhancing infrastructure, and expanding community-based interventions. This budget reflects the department's proactive planning, compliance with state and federal mandates, and commitment to long-term service sustainability.

BUDGET OBJECTIVES

- **Mobile Crisis Expansion:**
We are prioritizing the continued operation and expansion of our Mobile Crisis Response Team to provide 24/7, rapid, in-field crisis intervention. These services stabilize individuals experiencing psychiatric distress and reduce unnecessary hospitalizations or law enforcement involvement. This aligns with California's Crisis Care Continuum and supports AB 988 and CalAIM justice-involved initiatives. Funding supports staffing, training, SmartCare integration, and enhancements to mobile response infrastructure. These investments are expected to increase crisis diversion rates, improve care coordination, and build public trust in behavioral health services.
- **Implementation of BH-CONNECT Evidence-Based Practices (EBPs):**
In accordance with DHCS mandates, we are adopting a suite of evidence-based practices under BH-CONNECT to transform the delivery of specialty mental health services. These include:
 - Assertive Community Treatment (ACT)
 - Forensic ACT (FACT)
 - Coordinated Specialty Care (CSC) for early psychosis
- **Implementation of SB 43 Conservatorship Reforms:**
We are updating internal policies and procedures to reflect SB 43's expanded definition of "gravely disabled", which now includes individuals with severe substance use disorders or those unable to provide for their own medical care or safety. Funding will support staff training and legal coordination to ensure appropriate implementation and compliance with conservatorship reforms, while also strengthening protections for vulnerable clients.
- **South Shore Facility – BHCIP Grant:**
The Behavioral Health Continuum Infrastructure Program (BHCIP) grant is funding a full remodel of the South Shore building in Clearlake. This capital project will transform the facility into a trauma-informed, ADA-compliant, and safety-enhanced hub for both clinical and administrative services. It will address longstanding access disparities in the region and create a sustainable base of operations for integrated service delivery. Construction is planned through FY 2025–27.
- **Bringing Individuals Home – BHBH Grant:**
Through the Behavioral Health Bridge Housing (BHBH) initiative, we are expanding interim and bridge housing for individuals with serious mental illness who are unhoused or at risk. This includes case management, housing navigation, and coordination with residential providers. To date, 35 unduplicated individuals have been served. The program strengthens the connection between housing stability and behavioral health outcomes, aligning with state priorities on homelessness and whole-person care.

Director

BUDGET OVERVIEW

- The FY 2025–26 proposed budget includes total appropriations of approximately \$19.1 million to support SUD prevention, treatment, and recovery services across Lake County. This budget reflects our department’s commitment to statewide reform goals under DMC-ODS, CalAIM, and community-based recovery initiatives, while strategically deploying one-time funding sources to strengthen long-term infrastructure and outcomes.

BUDGET OBJECTIVES

- **South Shore Behavioral Health Campus Expansion (BHCIP-Funded):**
A key initiative in FY 2025–26 is the continued development of the South Shore Behavioral Health Campus, funded through the Behavioral Health Continuum Infrastructure Program (BHCIP). This renovated facility will function as a centralized hub for outpatient SUD services in the Clearlake region, supporting integrated and co-located mental health and substance use treatment. The expansion is designed to:
 - Increase capacity for group counseling, walk-in intake, and Medication-Assisted Treatment (MAT)
 - Serve individuals involved in justice system reentry Improve access and reduce disparities for underserved communities
- **Integration of BH-CONNECT Evidence-Based Practices (EBPs):**
As part of the statewide BH-CONNECT initiative, Lake County Behavioral Health is evaluating incorporating EBPs into its SUD treatment model:
 - Peer Support Services
 - Individual Placement and Supported EmploymentThese models will enhance whole-person care, address social determinants of health, and promote long-term recovery outcomes.
- **Implementation of SB 43 Protocols in SUD Services:**
In alignment with SB 43 conservatorship reforms, we are updating internal protocols and training SUD clinical and program staff on the revised definition of grave disability, which now includes criteria related to severe substance use.
This will ensure:
 - Accurate referrals for conservatorship evaluations
 - Protection of individual rights
 - Legal and clinical alignment with statewide requirements
 - Expansion of Mobile Crisis Interventions for SUD
 - We are enhancing our mobile crisis response capacity to include substance use-specific interventions. These units will:
 - Provide immediate, in-field responses to SUD crises
 - Decrease emergency room utilization and law enforcement involvement
 - Improve crisis stabilization access for individuals experiencing withdrawal or overdose risks

BUDGETED RESERVES		
Reserve Name	Amount (Current & Changes)	Purpose
Settlement Funds	\$4,519,319	We are increasing the opioid reserve designation in FY 2025–26 to ensure long-term sustainability of critical opioid response initiatives. This reserve allows us to responsibly manage multi-year opioid settlement funds, align spending with evolving community needs, and ensure funding is available for future high-impact activities such as MAT expansion, housing supports, and overdose prevention.
General	\$2,860,967	We are increasing general reserves for FY25/26 to strengthen the departments fiscal stability.

HEALTH SERVICES
Tobacco Education
Fund 171 Budget Unit 4016

Anthony Arton,
Director

BUDGET OVERVIEW

- The Tobacco Program is a state-mandated Public Health program providing tobacco education and outreach to the people of Lake County.
- We continue to receive funding from state tobacco funds, Proposition 99 and Proposition 56.
- The program includes a youth group coalition, adult group coalition, and a Health Education Coalition.
- The mission of the California Tobacco Control Program is to improve the health of all Californians by reducing illness and premature death attributable to the use of tobacco products.
- The California Tobacco Control Program empowers statewide and local health agencies to promote health and quality of life by advocating social norms that create a tobacco-free environment.

BUDGET OBJECTIVES

- Our Tobacco Control Program will continue partnering with community groups and to provide education and cessation resources.
- Continue educating and initiate retailer licensing as laid out in the Comprehensive Retailer Licensing Tobacco Ordinance, effective January 1, 2025.
- Ongoing involvement in school and community events to share data and educate youth and residents on health impact of tobacco/vape usage.
- Continue successful completion of program objectives and activities with a high average report grade with the California Tobacco Control Program.
- Maintain consistent program support.

BEHAVIORAL HEALTH
Alcoholism Program Services
Fund 142 Budget Unit 4018

Elise Jones,
Director

BUDGET OVERVIEW

- The FY 2025–26 Alcohol Program Services budget supports critical prevention, treatment, and recovery services for individuals impacted by alcohol use disorders. Total appropriations are approximately \$14,969, reflecting a focused use of funds for targeted service areas that align with state and federal funding priorities.

BUDGET OBJECTIVES

- **Support Alcohol Use Prevention and Early Intervention:**
Maintain funding for alcohol prevention efforts, including education campaigns and youth engagement activities that reduce underage drinking and promote healthy lifestyles.
- **Bridge Funding for Unreimbursed Services:**
Cover programmatic activities or administrative expenses not fully reimbursable through other funding sources such as SABG or DMC-ODS and ensure compliance with any remaining obligations tied to historic alcohol program allocations.
- **Preserve Fiscal Flexibility:**
Maintain a modest reserve within the alcohol program fund to address emergent needs or support match requirements for future grants and strategically manage carryover and spending to align with state reporting and use-it-or-lose-it timelines.

PUBLIC SERVICES
Integrated Waste Management
Fund 985 Budget Unit 4121

Lars Ewing,
Director

BUDGET OVERVIEW

- This budget is an enterprise fund for integrated waste services provided to the public and funded by charges for those services. Funds are primarily derived from tipping fees at the landfill and waste hauler franchise fees. State grants provide minimal assistance for various non-discretionary recycling and waste diversion programs.
- Staffing at the landfill includes one integrated waste manager, one landfill operations supervisor, seven equipment operators, two weighmasters, one facilities maintenance technician, and extra help staff as needed to support seasonal and project-based operations. This budget unit also includes seven positions that provide management and administrative support for the entirety of the Public Services department. The other department budget units contribute to this budget unit for a proportional cost-share of those positions.
- Significant reserve funds are included. Federal and state regulations require landfill owners to provide financial assurances for the cost of future landfill closure and post-closure maintenance, corrective actions for reasonably foreseeable events, and operating liability; reserve funds are adequately funded to meet those requirements. Additional reserve funds are in place as a repository for funding various known future expenses, namely landfill expansion, equipment replacement, and the County's maintenance responsibilities for Davis Avenue and Moss Street.

BUDGET OBJECTIVES

- Maintain environmental protection and regulatory compliance with state and federal regulations (e.g., CalRecycle, EPA, DTSC) and the Eastlake Landfill, including groundwater monitoring, landfill gas management, and leachate control, to protect public health and the environment while providing affordable solid waste disposal.
- Plan for long-term solid waste management and disposal, closure/post-closure activities, and potential site expansion or alternatives to ensure uninterrupted disposal capacity for Lake County residents and businesses.
- Support waste diversion and recycling programs through education, outreach, and infrastructure to increase participation in recycling, composting, and waste reduction programs in compliance with SB 1383 and AB 341, including organics diversion, edible food recovery, and contamination reduction.
- Replacement and maintenance of landfill heavy equipment to ensure safe, efficient, and reliable operations.
- Maintain adequate operating reserves and evaluate solid waste tipping fees and franchise hauler contracts to ensure long-term financial sustainability, equitable cost recovery, and the ability to respond to future capital and regulatory demands.

DEPARTMENT OF SOCIAL SERVICES

Social Services Administration

Fund 168 Budget Unit 5011

Rachael Dillman Parsons,
Director

BUDGET OVERVIEW

- This is the administrative budget for the Department of Social Services. It provides all staffing, services, and supplies necessary to carry out departmental functions.
- In addition to the administrative expenses, this budget includes certain program expenses such as CalFresh, Medi-Cal, CalWORKs Welfare-to-Work (WTW) supportive services and childcare, CalWORKs Expanded Subsidized Employment (ESE) costs, Adult Protective Services, Public Guardian/Public Administrator and direct Child Welfare Services. This budget also includes In Home Supportive Services (IHSS) Public Authority contract costs .

BUDGET OBJECTIVES

- Continue to lead the mass care and shelter efforts during disaster preparation and response in partnership with local, state, and federal sheltering organizations, including completion of "blue skies" fire-season preparedness activities between December and May of each fiscal year.
- Continue to deliver vital services to the residents of Lake County by maintaining a vacancy rate below 20% throughout the fiscal year and continuing to pursue creative ways to recruit and retain staff.
- Identify and implement safe solutions for high needs youth without placement by contracting for supports needed in Child Welfare Services and have a solution in place as soon as is feasible within the fiscal year.
- Continue to grow and hire to fill vacancies in Public Guardian in partnership with Behavioral Health, in response to CARE court, and in preparation for implementation of SB 43, including execution of a new Memorandum of Understanding with Behavioral Health outlining new roles and responsibilities, as well as Public Guardian funding, and launching SB 43 by the January 1, 2026, implementation date.
- Complete Voluntary Transfer of the Lake County Housing Commission to the Regional Housing Authority on January 1, 2026.

General Welfare

Fund 169 Budget Unit 5121

Rachael Dillman Parsons,
Director

BUDGET OVERVIEW

- This Budget Unit provides assistance payments to families through the CalWORKs program. It funds direct payments to Resource Families and residential facilities for children who are removed from home due to abuse and neglect. Adoption Assistance payments are made to families that have adopted children through the foster care system.
- This Budget Unit also funds the county share of payroll costs for In-Home-Supportive Services (IHSS) providers who assist the elderly and disabled so they can remain safely in their home.

BUDGET OBJECTIVES

UC COOPERATIVE EXTENSION

UC Cooperative Extension
Fund 001 Budget Unit 6131

Matthew Barnes,
Director

BUDGET OVERVIEW

- The University of California Cooperative Extension (UCCE) is the public outreach arm of the UC Division of Agriculture and Natural Resources (UCANR). Its academic Advisors and Specialists develop and extend research-based information in agriculture, natural resources, economic growth, nutrition, and youth development to local agencies, industries, volunteers, and the public through our statewide network of county offices, UC campuses, research and extension centers, and statewide programs.
- UCCE programs operate through a partnership of County government and UCANR, with support from the USDA and external funding sources. Backed by the resources of the entire UC system, our educational programs use applied research to solve community problems. We conduct research and educational programs in cooperation with local clientele; consult with individuals and organizations on a variety of topics through meetings, phone contacts, and in-person visits; create and produce outreach materials, including newsletters, leaflets, and digital media and social mass media; and conduct informational seminars and workshops.
- County funding for UCCE is provided 100% through the general fund. The County provides payroll funding for two Administrative Support staff and one (cross county) Agricultural Technician field position. All of which support the UC academic advisors, UC programs and the public. The salaries of the County Area Director and all UCCE academic advisors assigned to Lake County are fully paid by UC. County of Lake and UC ANR each cover 50% of our Lake County 4-H Representative salary. The County of Lake has also provided full support of the 40% FTE (2 days per week) for the UC-paid Master Gardener Program Coordinator.

BUDGET OBJECTIVES

- Our UCCE advisors build collaborative relationships with private landowners, local community partners, local tribal communities, local state and federal agency representatives, non-profits, county stakeholders, and county government with technical expertise to expand outreach, education, and research through the UC Cooperative Extension. Cross county UCCE advisors between Lake and Mendocino counties host outreach and field day events, workshops, classes, webinars, and meetings to address education and learning opportunities in Lake County regarding forest health, issues of drought and drought resilience, integrated pest management, wildlife nuisances, vineyard management, diversified small farms, and public safety for residents and landowners.
- UCCE advisors and specialists, UC Davis researchers, UC Riverside academics, and representatives from outside agencies such as Lake County Winegrape Commission, Lake County Resource Conservation District (RCD), California Pear Advisory Board (CPAB), Agricultural Research Service in-house research agency of the United States Department of Agriculture (USDA-ARS) researchers, local (PCA) Pest Control Advisors California Department of Food and Agriculture (CDFA) collaborate to conducted technical service site visits to help landowners, and provided resources and information through research trials to enhance public safety and to support the well-being of both people and the environment.
- With the newly added position of Beneficial Burning and Tribal Land Stewardship advisor, UCCE will be partnering with tribes, tribally led organizations, state and local agencies, as well as private landowners to support land stewardship goals and activities for fire resiliency. UCCE will help facilitate and coordinate educational outreach events focused on fire ecology, cultural resource management, co-management agreements, and community wildfire resilience. The program will continue to collaborate with Tribal leaders, state agencies (CALFIRE, California Natural Resources

Agency (CNRA), local resource conservation agencies, fire safe councils, and prescribed burn associations throughout the county.

- The UC Master Gardener Program provides information about growing fruit, vegetables, flowers, drought resistant landscaping, native and invasive weed identification, and pest management. Volunteers participate in hands-on workshops for the public to learn how to prune fruit and ornamental trees, demonstration gardens and classes on nutrition for healthy living with local tribal communities, and with local agencies like the Lake County Land Trust to provide aquatic plant guides for homeowners with lakefront property. A large part of outreach is providing education at county events like Earth Day, Friday Night Farmers Market, and Mental Health Matters Day, and Every other Tuesday our Master Gardeners host a spot on the local radio show KPFZ 88.1FM called "Right Plant, Right Place" to answer gardening questions from the community. Collaborations with local agencies include Field Day on the Creek with Lake County Resource Conservation District (RCD), and Jr. Master Gardeners with the Lake County Public Health and the 4-H Program to help with school gardens around the County by providing consultation and workshops for the students and teachers, as well as mentoring the High School students working with the 4-H members in the program. Help Desk services are also available through email, phone, and in person at our UCCE office. The Master Gardener program offers unlimited resources of quick tips and information through UC ANR, and has also created garden guides for Vegetable Gardening and Ornamental Gardening available for purchase in the UCCE office, which have become a community favorite for garden journaling.
- UC 4-H Youth Development Program provides a positive youth development experience for young people in California, ages 5-19 with emphasis on empowering youth through research-based projects, and adult mentorship through a wide range of projects and activities, relating to agriculture, healthy living, civic engagement, and STEM. The program focuses on hands-on, experiential learning projects like Junior Livestock, Archery and Shooting Sports, Jr. Master Gardeners, and Robotics offered through local 4-H clubs and after school programs around the County, and our annual 4-H Camp at the Mendocino Woodlands for members of Lake and Mendocino Counties. These activities aim to empower youth to reach their full potential and develop leadership skills, build confidence, and become responsible and effective leaders.

PUBLIC SERVICES
Parks and Recreation
Fund 001 Budget Unit 7011

Lars Ewing,
Director

BUDGET OVERVIEW

- Maintenance, repair, and improvement of 27 existing county parks, which include eleven play-grounds, nine boat docks, five baseball/softball fields, seven boat launch ramps, four dog parks, two tennis courts, one skate park, one basketball court, one public swimming pool, and numerous trail systems for hiking located within county parks. Additionally, the division provides grounds maintenance services for the three County museums and the courthouse grounds, and there are three future parks currently in planning stages.
- Staffing for parks maintenance consists of one parks superintendent, two parks area supervisors, nine parks maintenance works, and seasonal and project-based extra-help staff for parks maintenance and lifeguard positions. New this year for staffing is a position to oversee recreation programming and park/trail planning.
- Funding for this budget unit is provided from several sources including general fund discretionary revenues, grants, geothermal royalties, telecommunication leases, developer fees for park improvements (Quimby fees), donations, TOT fees, and recreation facility and program fees.

BUDGET OBJECTIVES

- Invest in park infrastructure for the maintenance, repair, improvement, and creation of new park facilities to ensure safe, attractive, and accessible facilities for public use.
- Expand the local trails system, with emphasis on enhancing access to natural areas, promoting non-motorized transportation, and increasing recreational opportunities countywide.
- Build a recreation program with staff, volunteers, and service providers for the continued development and operation of programs, classes, and events that serve diverse populations while promoting health and community engagement.
- Collaborate with local jurisdictions and other partners for the development of significant regional recreation facilities.
- Dedicate staff time and matching funds for pursuing state and federal grants, public-private partnerships, and community collaborations to supplement the county budget and stretch limited resources further.

John T. Klaus Park
Fund 074 Budget Unit 7074

Lars Ewing,
Director

BUDGET OVERVIEW

- The County of Lake is the benefactor of the 1994 John T. Klaus Estate Trust (Trust) for the development of the John T. Klaus Park on approximately 600 acres of property in Clearlake Oaks. All funds from the Trust, profits generated by the Trust assets, or fees received from activities at the future park, are to be used solely for improvement and maintenance costs of the park and are to be held in an account that is not to be commingled with any general County fund or other County parks and recreation funds. Fund 074 and Budget Unit 7074 were established for that purpose.

BUDGET OBJECTIVES

- Long-term goal is the development of an open-space regional park.
- Short-term goals for FY 2025-26 is to use the recently-completed concept master plan as the basis for performing CEQA analysis and AB 52 tribal consultation for the full project, and design development of the initial park opening phase, all of which will aid in increasing project readiness to be well-positioned for competitive grants.

County Museums

Fund 001 Budget Unit 7201

Lars Ewing,
Director

BUDGET OVERVIEW

- The Lake County Museums serve as stewards of Lake County's historic and cultural resources and educators for Lake County's future. Each of the three museums receive many artifacts of importance each year and in sum hold a great deal of the historic and cultural non-renewable resources of Lake County. Through the interpretation of these sites and the many artifacts that are saved within their walls, the county's residents, students and visitors can learn about the unique and interesting history of the region.
- Funds are provided for marketing from budget unit 1892, which provides for a robust strategic marketing plan designed to increase community engagement and awareness of new and improved exhibits, staff membership and participation with community groups and business associations, promotes field trip opportunities for schools, and supports a broader and more diverse marketing outreach in Lake County and the general northern California.
- Museums must invest in thorough inventory reviews and proper documentation of collections. This includes updating databases, digitizing records, and confirming cultural affiliations—tasks that require trained staff and technological resources.

BUDGET OBJECTIVES

- Museums must ensure appropriate collections storage, conservation, and sometimes temporary curation during repatriation reviews, which can involve additional environmental controls or handling protocols.
- Invest in equipment, systems, and training that meet professional standards for the care and documentation of collections
- Thorough inventory reviews and proper documentation of collections. This includes updating databases, digitizing records, and confirming cultural affiliations. These tasks require staff training and technological resources.
- Proper preservation and display techniques for collection care are vital to the longevity of museum artifacts.

Museum Improvements
Fund 070 Budget Unit 7202

Lars Ewing,
Director

BUDGET OVERVIEW

- The Lake County Museum Fund was created as a repository for monies that are collected through donations and trusts. These funds are solely earmarked for exhibits, improvements to exhibits and exhibit displays, archival storage supplies, tracking and care.
- Donations that are designated for the Lake Family Pomo sculpture are separated from museum donations and housed in this reserve for use on the project.
- Donations and funds are used to develop and host temporary exhibits that attract new audiences and promote cultural exchange.

BUDGET OBJECTIVES

- Preserve cultural heritage by ensuring that funds are used appropriately for the conservation, restoration, and proper storage of artifacts to ensure their long-term preservation
- Proper conservation, restoration, and storage of artifacts so they remain available for study and appreciation by future generations
- Improve and create new exhibits to be accessible and engaging for all visitors, including young learners, through updated displays, signage, and interpretive materials

Flood Zone #1 Adobe Creek and Highland Springs

Fund 201 Budget Unit 8101

Pawan Upadhyay,
Director

BUDGET OVERVIEW

- Flood Control Zone 1 was established to fund operations and maintenance of the Highland Springs and Adobe Creek watersheds.
- The zone includes the Highland Springs Dam, Adobe Creek Dam, Adobe Creek, and ~22.5 miles of fire roads.
- The budget provides reimbursement to the Water Resources Department for engineering, groundwater planning, and watershed management activities.
- It supports public information efforts and long-term watershed stewardship in the zone.
- The zone plays a key role in dam safety, watershed health, and local infrastructure support.

BUDGET OBJECTIVES

- Work with County Counsel and Administration to reduce dam inspection fees through legislative efforts.
- Investigate the feasibility of implementing a Zone Assessment to cover ongoing operational costs.
- Continue preparing for and complying with State Dam Safety Inspections.
- Maintain dam infrastructure through regular inspection and maintenance.
- Seek and apply for state funding to support necessary dam repairs.

Flood Zone #4 Scotts Creek

Fund 204 Budget Unit 8104

Pawan Upadhyay,
Director

BUDGET OVERVIEW

- Flood Control Zone 4 was formed in 1958 to fund maintenance for planned flood control facilities.
- Most of the originally planned facilities were never constructed.
- As a result, funds are primarily used to maintain flow capacity in Scotts Creek.
- Maintenance includes brush clearing and thinning to reduce flood risks.
- The zone supports flood resilience in Scotts Valley through targeted upkeep and emergency response.

BUDGET OBJECTIVES

- Solicit quotes and onboard a contractor for emergency debris removal in Scotts Creek.
- Coordinate with the Scotts Valley Advisory Committee to develop a proposal for the \$100,000 District 4 Cannabis Funds.
- Solicit a consultant to perform the planned hydrologic analysis of the Scotts Valley region.
- Prepare and respond to future debris jams and storm-related blockages.
- Use new grant resources to support long-term flood and watershed planning in the zone.

BUDGETED RESERVES

Reserve Name	Amount (Current & Changes)	Purpose
Restricted O&M Reserve	\$94,062	Emergency operational funding for unplanned maintenance or needs.

WATER RESOURCES

Flood Zone #5 Kelsey Creek

Fund 205 Budget Unit 8105

Pawan Upadhyay,
Director

BUDGET OVERVIEW

- Flood Zone 5 was established in 1964 to support the Kelsey Creek Water Supply Project.
- It funds the operation and maintenance of the Kelsey Creek Detention Structure (KCDS) and surrounding creek area.
- The zone also supports implementation of the Big Valley Groundwater Sustainability Plan (GSP) under SGMA.
- Revenues are generated through property taxes within the district.
- Funding has not kept pace with program costs; a 2005 benefit assessment was rejected by property owners.

BUDGET OBJECTIVES

- Complete repairs to the slide gates and motor at the KCDS to ensure functionality.
- Investigate the feasibility of establishing a Zone Assessment to fund operations.
- Implement the assessment to support Big Valley GSP implementation.
- Continue collaboration with the Big Valley GSP Advisory Committee and community.
- Ensure compliance with SGMA through data reporting and project development.

WATER RESOURCES

Zone #8 Upper Middle Creek Basin

Fund 208 Budget Unit 8108

Pawan Upadhyay,
Director

BUDGET OVERVIEW

- Flood Control Zone 8 was established in 2000 to fund O&M for the Upper Middle Creek Flood Control Project.
- The project includes 11 miles of levees along Scotts, Middle, Alley, and Clover creeks and a flow diversion structure in Clover Creek.
- Maintenance includes mowing, vegetation and gravel removal, and levee road upkeep.
- Work is performed by Water Resources, Public Works, and contractors, funded by Zone 8 property assessments.
- While levees are structurally sound, inspection reports identified ongoing maintenance needs and illegal encroachments that will require continued attention in 2025 and beyond.

BUDGET OBJECTIVES

- Continue addressing state and federal inspection findings to resolve maintenance deficiencies.
- Expand community outreach and engagement related to the Upper Middle Creek Flood Control Project.
- Complete the Upper Lake Feasibility Study and identify a preferred project alternative with the community.
- Seek funding for gravel and vegetation removal across the creeks in the project area.
- Implement sediment removal, creek stabilization, and levee repair work as needed.

SPECIAL DISTRICTS

Lighting Districts

Funds 210-219, 261 Budget Units 8210-8219, 8461

Robin Borre,
Administrator

BUDGET OVERVIEW

- Street Lighting Districts provide public safety and security.
- The districts served include Anderson Springs Lighting, Clearlake Oaks Lighting, Glenhaven Lighting, Kelseyville Lighting, Lower Lake Lighting, Lucerne Lighting, Middletown Lighting, Upper Lake Lighting, and Clearlake Keys Lighting.
- Managing these districts requires a fine balance between providing safety and security to those that desire it and allowing for the dark skies for those that desire it.

BUDGET OBJECTIVES

- Consolidation of Clearlake Oaks and Clearlake Keys Districts as well as annexation of additional area.
- Continue to provide lighting for the safety and security of the public.
- Work with the Kelseyville Business Association to silhouette light the buildings along Main Street.

Robin Borre,
Administrator

BUDGET OVERVIEW

- LACOSAN manages this infrastructure as a satellite sewer collection system. The wastewater collected in this system is discharged to the City of Lakeport and is treated at their treatment facility. The collection system contains 42 commercial and 156 residential connections.

BUDGET OBJECTIVES

- Provide high quality customer service.
- Protect the environment.
- Maintain a safe collection system, transferring and treating wastewater throughout our wastewater districts.
- Promote awareness, protection, and conservation of our natural resources and environment.
- Determine funding for feasibility study regarding consolidation of Lands End/South Lakeport with Kelseyville Water Works.
- Complete negotiations and new contract with the City of Lakeport to take the wastewater from this district and for Special Districts to take the wastewater for a section within the City that is adjacent to North Lakeport.
- Complete Countywide SCADA evaluation to upgrade all the systems to a fully integrated and remote access system.

Lake County Sanitation District SE Regional System
Fund 254 Budget Unit 8354

Robin Borre,
Administrator

BUDGET OVERVIEW

- Budget Unit 8354 includes the Southeast Regional Wastewater System, the single largest utility system managed by Special Districts. This system serves a population of approximately 13,000 people. It consists of over 100 miles of raw wastewater collection pipelines and 21 pump stations. It includes a full-service treatment facility with a septage receiving station.
- The Southeast Regional Wastewater System serves the City of Clearlake and the area northwest to the “Gooseneck”, and the community of Lower Lake. There are 8,094 single family dwelling unit connections being served in this system.
- This system is connected to the effluent recycling system that transports treated wastewater to the Geysers geothermal generation complex. This portion of the recycling system includes 29 miles of pipeline, 6 pump stations and storage tank reservoir under the management of LACOSAN. This includes the day-to-day and annual maintenance activities of these systems.

BUDGET OBJECTIVES

- Provide high quality customer service.
- Protect the environment.
- Maintain a safe collection system, transferring and treating wastewater throughout our wastewater districts.
- Promote awareness, protection, and conservation of our natural resources and environment.
- Complete Septage Receiving Station Improvements.
- Complete design and environmental for the new Vallejo Lift Station.
- Complete design and environmental for the new Highlands Lift Station.
- Complete Countywide SCADA evaluation to upgrade all the systems to a fully integrated and remote access system.
- Complete the capacity study for the existing system.

Anderson Springs Sewer District
Fund 256 Budget Unit 8356

Robin Borre,
Administrator

BUDGET OVERVIEW

- Budget Unit 8356 provides funding for the Anderson Springs Sewer System. This is a new sewer system within the boundaries of Lake County Sanitation District. The district is made up of approximately 3.5 miles of low-pressure sewer force main within the community and about 2 miles of transmission main along State Highway 175 to the Middletown wastewater treatment plant. Each active parcel within the district has an onsite grinder pump/wet well configuration which collects the residential waste, processes it, and pumps it into the collection system to the treatment plant.
- The community lost 198 of 212 homes during the Valley Fire and most could not be rebuilt without a sewer system due to building and code changes for septic systems. Many agencies and organizations worked together to secure funding for this system. The system became operational in 2020 and there are currently 75 active customers with more coming online on a regular basis.

BUDGET OBJECTIVES

- Provide high quality customer service.
- Protect the environment.
- Maintain a safe collection system, transferring and treating wastewater throughout our wastewater districts.
- Promote awareness, protection, and conservation of our natural resources and environment.
- Complete Countywide SCADA evaluation to upgrade all the systems to a fully integrated and remote access system.

SPECIAL DISTRICTS
Special Districts Administration
Fund 295 Budget Unit 8695

Robin Borre,
Administrator

BUDGET OVERVIEW

- The Special Districts Administration (SDA) is the water and wastewater agency of the County of Lake. Special Districts oversees the operation of five water systems, four wastewater treatment plants, seven wastewater collection systems serving over 35,000 people in twenty-one communities. SDA also oversees nine street lighting districts, 13 centerline miles of roads, 4 bridges, 3 dams and a campground.
- Our mission includes:
 - Provision of high quality customer service.
 - Protection of the environment.
 - Support for local economic development with community infrastructure.
 - Providing safe, dependable drinking water to all of our customers in each of our water districts.
 - Maintain the safe collection, transfer & treatment of waste water throughout our sewer districts.
 - Promoting awareness, protection and conservation of our natural resources & environment.
- Special Districts manages 23 separate, independent budget units with a combined total of over \$26 million. Each district is self-supporting and none of our districts utilize general fund money.
- With a staff of 53 trained and certified professionals, we provide coverage throughout the entire county 365 days of the year.

BUDGET OBJECTIVES

- Evaluation and Upgrades of Supervisory Control and Data Acquisition (SCADA) technology to allow all area remote access and modernization to facilitate efficient operations.
- Complete updated 5-year Capital Improvement Program (CIP) and continue to update annually.
- Actively recruit a CIP Project Manager and deliver our projects.
- Work with LAFCO to complete Municipal Service Reviews (MSRs).
- Evaluate possible district consolidations with Soda Bay, Finley, Corinthia Bay, Lands End and Kelseyville (water and sewer).

AIR QUALITY MANAGEMENT DISTRICT
Air Control Officer's Special Programs
Fund 298 Budget Unit 8798

Douglas Gearhart,
Air Pollution Control Officer

BUDGET OVERVIEW

- This Budget was created from the discontinued APCO's Trust Fund. That fund was limited to enforcement related expenses (testing, litigation, expert witnesses, etc.), grant programs, and specific projects. A Designated Reserve for enforcement activities exists.
- The Budget, for administrative reasons, covers multi-year projects, grants, and processes and thus is not completely expended, though budgeted to cash balance on a yearly basis. Some projects and funding have explicit constraints on spending and accounting and are in this budget to ensure a separation from AQMD operational budget and grant supported activities.

BUDGET OBJECTIVES

- To protect and preserve our air quality through an active and effective enforcement program that is adequately funded and has reserves for the unexpected situation as outlined in the purpose of the fund.
- Adopt and adapt state and federal programs for air quality that require specialized project/grant specific fiscal tracking and accounting over a multi-year period utilizing the least complex method possible that is compatible with the County Auditor's system and is compliant with program requirements.

AIR QUALITY MANAGEMENT DISTRICT

Air Quality Management District

Fund 299 Budget Unit 8799

Douglas Gearhart,
Air Pollution Control Officer

BUDGET OVERVIEW

- The mission of the Lake County Air Quality Management District (AQMD) is to maintain a proactive, effective air quality management program to protect and enhance air quality for residents and visitors of the Lake County Air Basin. This is accomplished by consistent application of Federal, State, and Local laws and regulations with a priority to retaining our healthful air and our Ambient Air Quality Standards (AAQS) attainment designation. This accomplishment continues to be a shared responsibility of the community, regulated sources, Local, Federal and State agencies. The AQMD has primary responsibility for non-vehicle air emissions. The AQMD will continue to emphasize a technologically trained staff, advanced testing, monitoring and enforcement methods with an emphasis on significant air emission sources to include geothermal operations, area wide source management, NESHAP asbestos (building materials), outreach on serpentine (asbestos), and vegetative waste burning.

BUDGET OBJECTIVES

- Our highest priority is to continue to protect and preserve our air quality and maintain attainment with all State AAQS, and to accomplish this even with growth. This will continue to benefit the quality of life and economic status of the air basin, and prevent increasing costs and minimize additional regulations if successful. We continue to be the only AQMD in California that is in compliance with all State and Federal AAQS and as a result have greater local flexibility and autonomy, including avoiding costly programs. Costs of non-compliance are substantial and include but are not limited to: costs for increased state vehicle fees, mandatory inspection, implementation of many ATCM requirements impacting local industry and agriculture, developing more stringent burn regulations, developing and implementing an attainment plan and an emissions credit and banking program, which would add additional costs to the program, public, and local government agencies. Progress toward the goal will be measured through monitoring efforts of GAMP, SLAMS, and other air quality indicators. The performance criteria include: 1) the annual legal attainment determinations by the ARB; 2) public complaint activity; and 3) ambient air monitoring, marker results and trends.

BUDGETED RESERVES

DEPARTMENT OF PUBLIC WORKS

ISF Heavy Equipment
Fund 907 Budget Unit 9907

Vacant,
Director

BUDGET OVERVIEW

- The Heavy Equipment Maintenance Division (BU 9907) is an Internal Service Fund (ISF) that is responsible for performing scheduled services, maintenance, and repairs to approximately 114 pieces of equipment that are used by the Road Maintenance Division.
- The division is responsible for administering the state-mandated Biennial Inspection Terminal (BIT). The BIT program consists of performing complete detailed inspections of all commercial trucks every 90 days and keeping accurate weekly records on the operation and maintenance of these vehicles for review by the California Highway Patrol
- The division also coordinates and provides services, inspections and repairs for other County Departments that utilize heavy equipment and trucks to perform their operations such as Solid Waste, Agriculture Department, Special Districts, Water Resources and the Sheriff's Department.
- The division is responsible for keeping all commercial vehicles in compliance with the California Air Resource Board which includes but is not limited to the mandated Clean Truck Check opacity testing and database updating.
- The division is self-supporting in that the County Road Department, who is the primary user of this Division's equipment, is charged an hourly rental rate on equipment used, which recovers operation/maintenance cost as well as a component for replacement cost.
- A 5-year equipment replacement plan has been established and is reviewed and updated several times a year. In conjunction with the 5-year equipment replacement plan, approximately \$250,000 is programmed each year to fund that budget year's scheduled equipment replacement.
- Equipment replacement funding is based on depreciation schedules for each piece of equipment. Depreciation is tracked in BU 9908.

BUDGET OBJECTIVES

- Continue to provide excellent maintenance and repair services to heavy equipment to maximize usage and minimize down time.
- Continue to provide training for staff as technology and CARB regulations continue to evolve.

ISF Employee Health/Wellness
Fund 917 Budget Unit 9917

Pamela Samac,
Human Resources Director

BUDGET OVERVIEW

- Internal Service Fund managed by the Human Resources Department. This Internal Service Fund is for the restricted purpose of employee health and wellness related to health, dental, and/or vision.
- This ISF was initially funded by the unexpended residual of the County's prior self-funded Dental/Vision insurance.
- The revenue for this fund is primarily interest accrued. Also, unanticipated revenues may be added if the usage of such revenues is restricted to health and wellness purposes.

COUNTY ADMINISTRATIVE OFFICE
ISF Unemployment
Fund 918 Budget Unit 9918

Pamela Samac,
Human Resources Director

BUDGET OVERVIEW

- This is an Internal Service Fund managed by Human Resources to pay the cost of unemployment claims that are filed by former County employees. Unemployment claims are investigated and administered by a third-party administrator (TPA) in coordination with HR staff. The County is required to pay the full cost of claims instead of paying a lump sum insurance premium to the State.
- Revenues for this Internal Service Fund are from all County departments that will contribute 0.2% of their budgeted salaries for the unemployment claim costs this year.

COUNTY COUNSEL
ISF Public Liability
Fund 919 Budget Unit 9919

Lloyd Guintivano,
County Counsel

BUDGET OVERVIEW

- The County Counsel's Office provides administrative risk management functions in regard to the County's public liability claims. This Office reviews all claims for damages and has oversight of the third-party administrator for liability.
- This Office oversees the selection of counsel to be appointed through the County's membership in the CSAC-Excess Insurance Authority. This Authority is an independent joint powers authority that has created a risk-sharing pool for public entities.
- County departments have been and continue to be extraordinary partners in working with us to reduce potential liabilities.
- This Office, as directed by the Board of Supervisors, provides direction to both the third-party administrator and the assigned counsel.

BUDGET OBJECTIVES

- We continue to work towards increasing the number of attorneys available for assignment to cases handling through the Authority.
- The projected premium estimates for the liability program indicate an increase of at least 10% to 15% as a result of prior case settlements and substantial increases in the cost of liability coverage.
- We are in the process of adding more firms in addition to the ones we currently use to ensure that we can select a firm most adept at handling each particular case.

COUNTY COUNSEL
ISF Workers Compensation
Fund 920 Budget Unit 9920

Lloyd Guintivano,
County Counsel

BUDGET OVERVIEW

- The County Counsel's Office provides services for the workers' compensation program, including general oversight of the County's third-party claims administrator.
- This office works with all other County departments regarding driver and workplace safety issues, assists departments with all workers' compensation matters, return to work and reasonable accommodation issues, and the development of services and programs designed to enhance employee access to medical care for work-related injuries.
- This office coordinates with the workers' compensation team to address work-related injuries and by doing so, strives to reduce the annual workers' compensation premium payment due from the County over the last several years.
- This office monitors the work of the third-party claims administrator to ensure that employee needs are being promptly addressed, that departments are kept informed, and to conduct periodic reviews throughout the year of open claims.

BUDGET OBJECTIVES

- Continue efforts to reduce premium costs while improving employee access to medical care in the event of a work-related injury.
- Continue to provide safety and risk management training to County employees.
