

Dear Ms. Darby,

My wife and I have been residents in the Hidden Valley area for over 30 years and we join with many other of our neighbors to strongly support the Planning Commission's decision to **reject** the Major Use Permit UP 20-22 and the Planning Commission's decision to deny the Initial Study IS 20-25. We urge you to **deny** WeGrow's application at 16750 Herrington Road.

Sincerely,

Pastor Doug and Janice Thompson
