For services satisfactorily rendered, and upon receipt and approval of documentation as identified in Exhibit A, Attachment I, Part III, the Department of Health Care Services (DHCS) agrees to compensate the Contractor for actual expenditures incurred in accordance with the rates and/or actual allowable costs specified herein.

**B. Use of State General Funds**

Contractor may not use allocated Drug Medi-Cal (DMC) State General Funds to pay for any non-DMC services.

**C. Funding Authorization**

Contractor shall bear the financial risk in providing any substance use disorder services covered by this Contract.

**D. Availability of Funds**

It is understood that, for the mutual benefit of both parties, this Contract may have been written before ascertaining the availability of congressional appropriation of funds in order to avoid program and fiscal delays that would occur if this Contract were not executed until after that determination. In this event, DHCS may amend the amount of funding provided for in this Contract based on the actual congressional appropriation.

**E. Subcontractor Funding Limitations**

Contractor shall reimburse its subcontractors that receive a combination of DMC funding and other federal or county realignment funding for the same service element and location based on the subcontractor's actual allowable costs in accordance with Medicaid reimbursement requirements as specified in Title XIX of the Social Security Act, Title 22 of the California Code of Regulations (CCR) Section 51516.1, the Medicaid state plan, and Part II, Section 2.I. below. Payments at negotiated rates shall be settled to actual allowable cost at year-end.

**Exhibit B**  
**Budget Detail and Payment Provisions**

**F. Budget Contingency Clause**

It is mutually agreed that if the Budget Act of the current year and/or any subsequent years covered under this Contract does not appropriate sufficient funds for the program, this Contract shall be of no further force and effect. In this event, DHCS shall have no liability to pay any funds whatsoever to Contractor or to furnish any other considerations under this Contract and Contractor shall not be obligated to perform any provisions of this Contract.

If funding for any fiscal year is reduced or deleted by the Budget Act for purposes of this program, DHCS shall solely have the option to either cancel this Contract with no liability occurring to DHCS, or offer an amended contract to Contractor to reflect the reduced amount.

**G. Expense Allowability / Fiscal Documentation**

1. Invoices received from a Contractor and accepted and/or submitted for payment by DHCS shall not be deemed evidence of actual allowable costs.
2. Contractor shall maintain for review and audit, and supply to DHCS upon request, adequate documentation of all expenses claimed pursuant to this Contract to permit a determination of expense allowability.
3. If the allowability or appropriateness of an expense cannot be determined by DHCS because invoice detail, fiscal records, or backup documentation is nonexistent or inadequate according to generally accepted accounting principles, and generally accepted governmental audit standards, all questionable costs may be disallowed and payment may be withheld by DHCS. Upon receipt of adequate documentation supporting a disallowed or questionable expense, reimbursement may resume for the amount substantiated and deemed allowable.
4. Costs and/or expenses deemed unallowable shall not be reimbursed or, if mistakenly reimbursed, those costs and/or expenses shall be subject to recovery by DHCS pursuant to Title 22 CCR Section 51458.1.

**H. Effective from the date of execution of this Contract, nothing in this Contract waives the protections provided to Contractor under Section 36 of article XIII of the California Constitution ("Proposition 30"). **B. Amendment or Cancellation Due to Insufficient Appropriation**

This Contract is valid and enforceable only if sufficient funds are made available to DHCS by the United States Government for the purpose of the DMC program. It is mutually agreed that if the Congress does not appropriate sufficient funds for this program, DHCS solely has the option to void this Contract or to amend the Contract to reflect any reduction of funds.

**C. Exemptions**

Exemptions to the provisions of Item B above, of this Exhibit, may be granted by the California Department of Finance provided that the Director of DHCS certifies in writing that federal funds are available for the term of the Contract.

**D. Actual allowable costs**

Actual allowable costs, as used in Title 22 CCR Section 51516.1 shall be determined in accordance with Title 42 Code of Federal Regulations (CFR) Chapter IV, Subchapter B, Parts 405 and 413, and Centers for Medicare and Medicaid Services (CMS), "Medicare Provider Reimbursement Manual (Publication Number 15)," which can be obtained from the Centers for Medicare & Medicaid Services, or [www.cms.hhs.gov](http://www.cms.hhs.gov).

The funds identified for the fiscal years covered by this Contract are subject to change depending on the availability and amount of funds appropriated by the Legislature and the Federal Government. The amount of funds available for expenditure by the Contractor shall be limited to the amount identified in the final allocations issued by DHCS for that fiscal year.
4. For each fiscal year, DHCS may settle actual allowable costs for services to the Contractor and its subcontractors based on each fiscal year-end cost settlement report as the final amendment for the specific fiscal year cost settlement report to this Contract.

It is understood and agreed that failure by the Contractor or its subcontractors to comply with applicable federal and state requirements in rendering covered services shall be sufficient cause for DHCS to deny payments to and/or recover payments from the Contractor and/or terminate the Contractor or its subcontractor from DMC program participation. If DHCS or the Department of Health and Human Services (DHHS) disallows or denies payments for any claim, Contractor shall repay to DHCS the Federal Medicaid funds and/or State General Funds it received for all claims so disallowed or denied. The overpayment shall be recovered by any of the methods allowed in Title 22 CCR Sections 51047(a) and (b).
- D. Before such denial, recoupment, or disallowances are made, DHCS shall provide the Contractor with written notice of its proposed action. Such notice shall include the reason for the proposed action and shall allow the Contractor 60 days to submit additional information before the proposed action is taken, as required in Title 22 CCR Section 51047(a). This requirement does not apply to the DMC Post service Post payment Utilization Reviews or claims rejected or denied by Short Doyle.

However, reimbursement paid by a county to an NTP provider for services provided to any person subject to Penal Code Sections 1210.1 or 3063.1 and for which the individual client is not liable to pay, does not constitute a usual or customary charge to the general public for the purpose of this section. (W&I Code Section 14021.51(h)(2)(A))
- K. DHCS shall reimburse the Contractor the State General Funds and/or Federal Medicaid amount of the approved DMC claims and documents submitted in accordance with Exhibit A, Attachment I, Part III.

The parties acknowledge that DHCS's Direct Providers shall be responsible for repayment of any disallowed claims. However, in no event shall DHCS be liable for Medicaid reimbursement for any disallowed claims.
  - 1. Any contractor contracting with DHCS for the provision of services through NTP providers may receive reimbursement of the USDR rate.
  - 2. As a result of the Direct Contract Provider's settled cost report, any County Realignment funds owed to the Direct Contract Provider will be handled through an invoice process to the Contractor. **Exhibit B**  
**Budget Detail and Payment Provisions**

- B. In addition to the audit requirements set forth in Exhibit D(F), DHCS may conduct financial audits of NTP programs. For NTP services, the audits will address items A(3) through A(5) above, except that the comparison of the provider's usual and customary charge in A(3) will be to the DMC USDR rate in lieu of DMC cost per unit. In addition, these audits will include, but not be limited to:

If the CalHR rates change during the term of the Agreement, the new rates shall apply upon their effective date and no amendment to this Agreement shall be necessary. Exceptions to CalHR rates may be approved by DHCS upon the submission of a statement by the Contractor indicating that such rates are not available to the Contractor. No travel outside the State of California shall be reimbursed without prior authorization from DHCS. Verbal authorization should be confirmed in writing. Written authorization may be in a form including fax or email confirmation.

## 3. Procurement Rules

(Applicable to agreements in which equipment/property, commodities and/or supplies are furnished by DHCS or expenses for said items are reimbursed by DHCS with state or federal funds provided under the Agreement.)

### a. Equipment/Property definitions

Wherever the term equipment and/or property is used, the following definitions shall apply:

- (1) **Major equipment/property:** A tangible or intangible item having a base unit cost of \$5,000 or more with a life expectancy of one (1) year or more and is either furnished by DHCS or the cost is reimbursed through this Agreement. Software and videos are examples of intangible items that meet this definition.
  - (2) **Minor equipment/property:** A tangible item having a base unit cost of less than \$5,000 with a life expectancy of one (1) year or more and is either furnished by DHCS or the cost is reimbursed through this Agreement.
- b. **Government and public entities** (including state colleges/universities and auxiliary organizations), whether acting as a contractor and/or subcontractor, may secure all commodities, supplies, equipment and services related to such purchases that are required in performance of this Agreement. Said procurements are subject to Paragraphs d through h of Provision 3. Paragraph c of Provision 3 shall also apply, if equipment/property purchases are delegated to subcontractors that are nonprofit organizations or commercial businesses.
- c. **Nonprofit organizations and commercial businesses**, whether acting as a contractor and/or subcontractor, may secure commodities, supplies, equipment/property and services related to such purchases for performance under this Agreement.

- (1) Equipment/property purchases shall not exceed \$50,000 annually.

To secure equipment/property above the annual maximum limit of \$50,000, the Contractor shall make arrangements through the appropriate DHCS Program Contract Manager, to have all remaining equipment/property purchased through DHCS' Purchasing Unit. The cost of equipment/property purchased by or through DHCS shall be deducted from the funds available in this Agreement. Contractor shall submit to the DHCS Program Contract Manager a list of equipment/property specifications for those items that the State must procure. DHCS may pay the vendor directly for such arranged equipment/property purchases and title to the equipment/property will remain with DHCS. The equipment/property will be delivered to the Contractor's address, as stated on the face of the Agreement, unless the Contractor notifies the DHCS Program Contract Manager, in writing, of an alternate delivery address.

- (2) All equipment/property purchases are subject to Paragraphs d through h of Provision 3. Paragraph b of Provision 3 shall also apply, if equipment/property purchases are delegated to subcontractors that are either a government or public entity.
- (3) Nonprofit organizations and commercial businesses shall use a procurement system that meets the following standards:
  - (a) Maintain a code or standard of conduct that shall govern the performance of its officers, employees, or agents engaged in awarding procurement contracts. No employee, officer, or agent shall participate in the selection, award, or administration of a procurement, or bid contract in which, to his or her knowledge, he or she has a financial interest.
  - (b) Procurements shall be conducted in a manner that provides, to the maximum extent practical, open, and free competition.
  - (c) Procurements shall be conducted in a manner that provides for all of the following:
    - [1] Avoid purchasing unnecessary or duplicate items.
    - [2] Equipment/property solicitations shall be based upon a clear and accurate description of the technical requirements of the goods to be procured.
    - [3] Take positive steps to utilize small and veteran owned businesses.
- d. Unless waived or otherwise stipulated in writing by DHCS, prior written authorization from the appropriate DHCS Program Contract Manager will be required before the Contractor will be reimbursed for any purchase of \$5,000 or more for commodities, supplies, equipment/property, and services related to such purchases. The Contractor must provide in its request for authorization all particulars necessary, as specified by DHCS, for evaluating the necessity or desirability of incurring such costs. The term "purchase" excludes the purchase of services from a subcontractor and public utility services at rates established for uniform applicability to the general public.
- e. In special circumstances, determined by DHCS (e.g., when DHCS has a need to monitor certain purchases, etc.), DHCS may require prior written authorization and/or the submission of paid vendor receipts for any purchase, regardless of dollar amount. DHCS reserves the right to either deny claims for reimbursement or to request repayment for any Contractor and/or subcontractor purchase that DHCS determines to be unnecessary in carrying out performance under this Agreement.
- f. The Contractor and/or subcontractor must maintain a copy or narrative description of the procurement system, guidelines, rules, or regulations that will be used to make purchases under this Agreement. The State reserves the right to request a copy of these documents and to inspect the purchasing practices of the Contractor and/or subcontractor at any time.
- g. For all purchases, the Contractor and/or subcontractor must maintain copies of all paid vendor invoices, documents, bids and other information used in vendor selection, for inspection or audit. Justifications supporting the absence of bidding (i.e., sole source purchases) shall also be maintained on file by the Contractor and/or subcontractor for inspection or audit.
- h. DHCS may, with cause (e.g., with reasonable suspicion of unnecessary purchases or use of inappropriate purchase practices, etc.), withhold, cancel, modify, or retract the delegated purchase

authority granted under Paragraphs b and/or c of Provision 3 by giving the Contractor no less than 30 calendar days written notice.

Instructions will be supplied by either the DHCS Program Contract Manager or DHCS' Asset Management Unit.

- b. Title to state equipment and/or property shall not be affected by its incorporation or attachment to any property not owned by the State.
- c. Unless otherwise stipulated, DHCS shall be under no obligation to pay the cost of restoration, or rehabilitation of the Contractor's and/or Subcontractor's facility which may be affected by the removal of any state equipment and/or property.
- d. The Contractor and/or Subcontractor shall maintain and administer a sound business program for ensuring the proper use, maintenance, repair, protection, insurance and preservation of state equipment and/or property.
- (1) In administering this provision, DHCS may require the Contractor and/or Subcontractor to repair or replace, to DHCS' satisfaction, any damaged, lost or stolen state equipment and/or property. In the event of state equipment and/or miscellaneous property theft, Contractor and/or Subcontractor shall immediately file a theft report with the appropriate police agency or the California Highway Patrol and Contractor shall promptly submit one copy of the theft report to the DHCS Program Contract Manager.

Final disposition of equipment and/or property shall be at DHCS expense and according to DHCS instructions. Equipment and/or property disposition instructions shall be issued by DHCS immediately after receipt of the final inventory report. At the termination or conclusion of this Agreement, DHCS may at its discretion, authorize the continued use of state equipment and/or property for performance of work under a different DHCS agreement.

  - (c) Neither Contractor's performance of this Agreement, nor the exercise by either Party of the rights granted in this Agreement, nor any use, reproduction, manufacture, sale, offer to sell, import, export, modification, public and private display/performance, distribution, and disposition of the Intellectual Property made, conceived, derived from, or reduced to practice by Contractor or DHCS and which result directly or indirectly from this Agreement will infringe upon or violate any Intellectual Property right, non-disclosure obligation, or other proprietary right or interest of any third-party or entity now existing under the laws of, or hereafter existing or issued by, any state, the United States, or any foreign country. There is currently no actual or threatened claim by any such third party based on an alleged violation of any such right by Contractor.
  - (d) Neither Contractor's performance nor any part of its performance will violate the right of privacy of, or constitute a libel or slander against any person or entity.
  - (e) It has secured and will secure all rights and licenses necessary for Intellectual Property including, but not limited to, consents, waivers or releases from all authors of music or performances used, and talent (radio, television and motion picture talent), owners of any interest in and to real estate, sites, locations, property or props that may be used or shown.
  - (f) It has not granted and shall not grant to any person or entity any right that would or might derogate, encumber, or interfere with any of the rights granted to DHCS in this Agreement.
  - (g) It has appropriate systems and controls in place to ensure that state funds will not be used in the performance of this Agreement for the acquisition, operation or maintenance of computer software in violation of copyright laws.
  - (h) It has no knowledge of any outstanding claims, licenses or other charges, liens, or encumbrances of any kind or nature whatsoever that could affect in any way Contractor's performance of this Agreement.
- (2) DHCS MAKES NO WARRANTY THAT THE INTELLECTUAL PROPERTY RESULTING FROM THIS AGREEMENT DOES NOT INFRINGE UPON ANY PATENT, TRADEMARK, COPYRIGHT OR THE LIKE, NOW EXISTING OR SUBSEQUENTLY ISSUED.

**g. Intellectual Property Indemnity**

- (1) Contractor shall indemnify, defend and hold harmless DHCS and its licensees and assignees, and its officers, directors, employees, agents, representatives, successors, and users of its products, ("Indemnitees") from and against all claims, actions, damages, losses, liabilities (or actions or proceedings with respect to any thereof), whether or not rightful, arising from any and all actions or claims by any third party or expenses related thereto (including, but not limited to, all legal expenses, court costs, and attorney's fees incurred in investigating, preparing, serving as a witness in, or defending against, any such claim, action, or proceeding, commenced or threatened) to which any of the Indemnitees may be subject, whether or not Contractor is a party to any pending or threatened litigation, which arise out of or are related to (i) the incorrectness or breach of any of the representations, warranties, covenants or agreements of Contractor pertaining to Intellectual Property; or (ii) any Intellectual Property infringement, or any other type of actual or alleged infringement claim, arising out of DHCS' use, reproduction, manufacture, sale, offer to sell, distribution, import, export, modification, public and private performance/display, license, and disposition of the Intellectual Property made, conceived, derived from, or reduced to practice by Contractor or DHCS and which result directly or indirectly from this Agreement. This indemnity obligation shall apply irrespective of whether the infringement claim is based on a patent, trademark or copyright registration that issued after the effective date of this Agreement. DHCS reserves the right to participate in and/or control, at Contractor's expense, any such infringement action brought against DHCS.
- (2) Should any Intellectual Property licensed by the Contractor to DHCS under this Agreement become the subject of an Intellectual Property infringement claim, Contractor will exercise its

authority reasonably and in good faith to preserve DHCS' right to use the licensed Intellectual Property in accordance with this Agreement at no expense to DHCS. DHCS shall have the right to monitor and appear through its own counsel (at Contractor's expense) in any such claim or action. In the defense or settlement of the claim, Contractor may obtain the right for DHCS to continue using the licensed Intellectual Property; or, replace or modify the licensed Intellectual Property so that the replaced or modified Intellectual Property becomes non-infringing provided that such replacement or modification is functionally equivalent to the original licensed Intellectual Property. If such remedies are not reasonably available, DHCS shall be entitled to a refund of all monies paid under this Agreement, without restriction or limitation of any other rights and remedies available at law or in equity.

- (3) Contractor agrees that damages alone would be inadequate to compensate DHCS for breach of any term of this Intellectual Property Exhibit by Contractor. Contractor acknowledges DHCS would suffer irreparable harm in the event of such breach and agrees DHCS shall be entitled to obtain equitable relief, including without limitation an injunction, from a court of competent jurisdiction, without restriction or limitation of any other rights and remedies available at law or in equity.

#### **16. Dispute Resolution Process**

- a. A Contractor grievance exists whenever there is a dispute arising from DHCS' action in the administration of an agreement. If there is a dispute or grievance between the Contractor and DHCS, the Contractor must seek resolution using the procedure outlined below.

If the problem cannot be resolved informally, the Contractor shall direct its grievance together with any evidence, in writing, to the program Branch Chief. The grievance shall state the issues in dispute, the legal authority or other basis for the Contractor's position and the remedy sought. The Branch Chief shall render a decision within ten (10) working days after receipt of the written grievance from the Contractor. The Branch Chief shall respond in writing to the Contractor indicating the decision and reasons therefore. If the Contractor disagrees with the Branch Chief's decision, the Contractor may appeal to the second level.
  - (2) When appealing to the second level, the Contractor must prepare an appeal indicating the reasons for disagreement with Branch Chief's decision. When a grievance is received and organizational differences exist, the Contractor shall be notified in writing by the DHCS Program Contract Manager of the level, name, and/or title of the appropriate management official that is responsible for issuing a decision at a given level.

Said audit shall be conducted according to Generally Accepted Auditing Standards. This audit does not fulfill the audit requirements of Paragraph c(3) below. The audit shall be completed by the 15th day of the fifth month following the end of the Contractor's fiscal year, and/or
  - (2) **If the Contractor is a nonprofit organization (as defined in H&S Code Section 38040) and receives less than \$25,000 per year from any State agency under a direct service contract or agreement;** the Contractor agrees to obtain a biennial single, organization wide financial and compliance audit, unless there is evidence of fraud or other violation of state law in connection with this Agreement. This audit does not fulfill the audit requirements of Paragraph c(3) below. The audit shall be completed by the 15th day of the fifth month following the end of the Contractor's fiscal year, and/or
  - (3) **If the Contractor is a State or Local Government entity or Nonprofit organization (as defined by 2 C.F.R. §§ 200.64, 200.70, and 200.90) and expends \$750,000 or more in Federal awards;** the Contractor agrees to obtain an annual single, organization wide, financial and compliance audit according to the requirements specified in 2 C.F.R. 200.501 entitled "Audit Requirements". An audit conducted pursuant to this provision will fulfill the audit requirements outlined in Paragraphs c(1) and c(2) above. The audit shall be completed by the end of the ninth month following the end of the audit period. The requirements of this provision apply if:

The DHCS program funding this Agreement must provide advance written approval of the specific amount allowed for said audit expenses.
- f. The State or its authorized designee, including the Bureau of State Audits, is responsible for conducting agreement performance audits which are not financial and compliance audits. Performance audits are defined by Generally Accepted Government Auditing Standards.
- g. Nothing in this Agreement limits the State's responsibility or authority to enforce State law or regulations, procedures, or reporting requirements arising thereto.
- h. Nothing in this provision limits the authority of the State to make audits of this Agreement, provided however, that if independent audits arranged for by the Contractor meet Generally Accepted Governmental Auditing Standards, the State shall rely on those audits and any additional audit work and shall build upon the work already done.
- i. The State may, at its option, direct its own auditors to perform either of the audits described above. The Contractor will be given advance written notification, if the State chooses to exercise its option to perform said audits.
- j. The Contractor shall include a clause in any agreement the Contractor enters into with the audit firm doing the single organization wide audit to provide access by the State or Federal Government to the working papers of the independent auditor who prepares the single organization wide audit for the Contractor.
- k. Federal or state auditors shall have "expanded scope auditing" authority to conduct specific program audits during the same period in which a single organization wide audit is being performed, but the audit report has not been issued. The federal or state auditors shall review and have access to the current audit work being conducted and will not apply any testing or review procedures which have not been satisfied by previous audit work that has been completed.

The term "expanded scope auditing" is applied and defined in the U.S. General Accounting Office (GAO) issued Standards for *Audit of Government Organizations, Programs, Activities and Functions*, better known as the "yellow book".

**30. Contract Uniformity (Fringe Benefit Allowability)**

(Applicable only to nonprofit organizations.)

Pursuant to the provisions of Article 7 (commencing with Section 100525) of Chapter 3 of Part 1 of Division 101 of the Health and Safety Code, DHCS sets forth the following policies, procedures, and guidelines regarding the reimbursement of fringe benefits.

- d. To be an allowable fringe benefit, the cost must meet the following criteria:
  - (1) Be necessary and reasonable for the performance of the Agreement.
  - (2) Be determined in accordance with generally accepted accounting principles.
  - (3) Be consistent with policies that apply uniformly to all activities of the Contractor.
- e. Contractor agrees that all fringe benefits shall be at actual cost.

f. **Earned/Accrued Compensation**

- (1) Compensation for vacation, sick leave and holidays is limited to that amount earned/accrued within the agreement term. Unused vacation, sick leave and holidays earned from periods prior to the agreement term cannot be claimed as allowable costs. See Provision f (3)(a) for an example.
- (2) For multiple year agreements, vacation and sick leave compensation, which is earned/accrued but not paid, due to employee(s) not taking time off may be carried over and claimed within the overall term of the multiple years of the Agreement. - (3) For single year agreements, vacation, sick leave and holiday compensation that is earned/accrued but not paid, due to employee(s) not taking time off within the term of the Agreement, cannot be claimed as an allowable cost. See Provision f (3)(c) for an example.

(a) **Example No. 1:**

If an employee, John Doe, earns/accrues three weeks of vacation and twelve days of sick leave each year, then that is the maximum amount that may be claimed during a one year agreement. If John Doe has five weeks of vacation and eighteen days of sick leave at the beginning of an agreement, the Contractor during a one-year budget period may only claim up to three weeks of vacation and twelve days of sick leave as actually used by the employee. Amounts earned/accrued in periods prior to the beginning of the Agreement are not an allowable cost.

(b) **Example No. 2:**

If during a three-year (multiple year) agreement, John Doe does not use his three weeks of vacation in year one, or his three weeks in year two, but he does actually use nine weeks in year three; the Contractor would be allowed to claim all nine weeks paid for in year three. The total compensation over the three-year period cannot exceed 156 weeks (3 x 52 weeks).

(c) **Example No. 3:**

If during a single year agreement, John Doe works fifty weeks and used one week of vacation and one week of sick leave and all fifty-two weeks have been billed to DHCS, the remaining unused two weeks of vacation and seven days of sick leave may not be claimed as an allowable cost.

- b. Written confirmation of the suspension or stop work notification with directions as to what work (if not all) is to be suspended and how to proceed will be provided within 30 working days of the verbal notification. The suspension or stop work notification shall remain in effect until further written notice is received from DHCS. The resumption of work (in whole or part) will be at DHCS' discretion and upon receipt of written confirmation.
  - (1) Upon receipt of a suspension or stop work notification, the Contractor shall immediately comply with its terms and take all reasonable steps to minimize or halt the incurrence of costs allocable to the performance covered by the notification during the period of work suspension or stoppage.

- (a) Cancel, extend, or modify the suspension or stop work notification; or
  - (b) Terminate the Agreement as provided for in the Cancellation / Termination clause of the Agreement.
- c. If a suspension or stop work notification issued under this clause is canceled or the period of suspension or any extension thereof is modified or expires, the Contractor may resume work only upon written concurrence of funding Program's Contract Manager.
  - d. If the suspension or stop work notification is cancelled and the Agreement resumes, changes to the services, deliverables, performance dates, and/or contract terms resulting from the suspension or stop work notification shall require an amendment to the Agreement.
  - e. If a suspension or stop work notification is not canceled and the Agreement is cancelled or terminated pursuant to the provision entitled Cancellation / Termination, DHCS shall allow reasonable costs resulting from the suspension or stop work notification in arriving at the settlement costs.
  - f. DHCS shall not be liable to the Contractor for loss of profits because of any suspension or stop work notification issued under this clause.
