

LAKE COUNTY SHERIFF'S OFFICE

MEMORANDUM

To : Lt. Dutra
From : Sgt. Keithly
Date : 05/09/2024
Subject : Helicopter Contracts

Lieutenant Dutra,

I have checked with several Helicopter Company's over the last five years. Every year it is more difficult to find a company that will be available to perform the duties needed to conduct ariel surveillance and short haul operations. All of the companies that I have been in contact with are contracted to PG&E, US Forest Service or Cal-Fire. In addition to being contracted to these larger agencies most of the Helicopter Companies do not and will not carry the desired amount of insurance by the County of Lake. The only company that can perform the required duties and possesses the desired amount of insurance is A&P Helicopter.

Thanks,
Sergeant Keithly
