If the assessment of the client is completed by a registered or certified counselor, then an LPHA shall evaluate that assessment with the counselor and the LPHA shall make the final diagnosis. The consultation between the LPHA and the registered or certified counselor can be conducted in person, by video conferencing, or by telephone.
- g. Contractor shall comply with beneficiaries' access criteria and services provided during the initial assessment process requirements:
 - i. For beneficiaries 21 years of age and older, a full assessment using the ASAM Criteria shall be completed within 30 days of the beneficiary's first visit with an LPHA or registered or certified counselor, or Peer Support Specialist (except for residential treatment services)
 - ii. For beneficiaries under the age of 21, a full assessment using the ASAM Criteria shall be completed within 60 days of the beneficiary's first visit with an LPHA or registered or certified counselor (except for residential treatment services).

Related Disorders and Non-Substance-Related Disorders, prior to being incarcerated or during incarceration, determined by substance use history.

- ii. Beneficiaries under the age of 21, qualify for DMC-ODS medically necessary services after the initial assessment, in the following circumstances:
 - 1) All services that are Medi-Cal-coverable, appropriate, and medically necessary, needed to correct and ameliorate health conditions shall be provided, as per federal Early & Periodic Screening, Diagnostic and Treatment (EPSDT) statutes and regulations.
 - 2) Services need not be curative or completely restorative to ameliorate a health condition, including substance misuse and SUDs, consistent with federal guidance.
 - 3) Services that sustain, support, improve, or make more tolerable substance misuse or an SUD are considered to ameliorate the condition and are thus covered as EPSDT services.

4.3 ASAM Level of Care Determination

- a. Contractor shall use the ASAM Criteria to determine placement into the appropriate level of care (LOC) for all beneficiaries, which is separate and distinct from determining medical necessity. LOC determinations shall ensure that beneficiaries are able to receive care in the least restrictive LOC that is clinically appropriate to treat their condition.
- b. A full ASAM Criteria assessment and an SUD diagnosis is not required to deliver prevention and early intervention services for beneficiaries under the age of 21; a brief screening ASAM Criteria tool is sufficient for these services.
- c. For clients who withdraw from treatment prior to completing the ASAM Criteria assessment or prior to establishing a diagnosis from the DSM for Substance-Related and Addictive Disorders, and later return, the time period for initial assessment starts over.

- b. For beneficiaries 21 years of age and older, a service is “medically necessary” or a “medical necessity” when it is reasonable and necessary to protect life, to prevent significant illness or significant disability, or to alleviate severe pain.
- c. For beneficiaries under the age of 21, a service is “medically necessary” or a “medical necessity” if the service is necessary to correct or ameliorate screened health conditions. Consistent with federal guidance, services need not be curative or completely restorative to ameliorate a health condition, including substance misuse and SUDs. Services that sustain, support, improve, or make more tolerable substance misuse or an SUD are considered to ameliorate the condition and are thus covered as EPSDT services.

- d. Clinically appropriate and covered DMC-ODS services provided to clients over the age of 21 are reimbursable during the assessment process. Similarly, if the assessment determines that the client does not meet the DMC-ODS access criteria after initial assessment, those clinically appropriate and covered DMC-ODS services provided are reimbursable.
- e. All Medi-Cal claims shall include a current CMS approved International Classification of Diseases (ICD) diagnosis code.  - ii. Peer Support Services

Contractor shall remain legally responsible for the performance of all terms and conditions of this Agreement, including, without limitation, all SUD services provided by third parties under subcontracts, whether approved by the County or not.

19. OWNERSHIP OF DOCUMENTS. All non-proprietary reports, drawings, renderings, or other documents or materials prepared by Contractor hereunder are the property of County. In the event of the termination of this Agreement for any reason whatsoever, Contractor shall promptly turn over all said reports, drawings, renderings, information, and/or other documents or materials to County without exception or reservation.

24. RESIDENCY. All independent Contractors providing services to County for compensation must file a State of California Form 590, certifying California residency or, in the case of a corporation, certifying that they have a permanent place of business in California.

25. NO THIRD-PARTY BENEFICIARIES. Nothing contained in this Agreement shall be construed to create, and the parties do not intend to create, any rights in or for the benefit of third parties.

27. OVERSIGHT. Lake County Behavioral Health Services shall conduct oversight and impose sanctions on the Contractor for violations of the terms of this Agreement, and applicable federal and state law and regulations, in accordance with Welfare & Institutions Code 14712(c)(3) and CCR, Title 9, Section 1810.380 and 1810.385. Remedies in instances where the State Department of Health Care Services or the County Mental Health Plan determine the subcontractor has not performed satisfactorily and right to audit will exist through 10 years from the final data of the contract period or from the date of completion of any audit, whichever is later.

28. NON-APPROPRIATION. In the event County is unable to obtain funding at the end of each fiscal year for specialty mental health services required during the next fiscal year, County shall have the right to terminate this Agreement, without incurring any damages or penalties, and shall not be obligated to continue performance under this Agreement. To the extent any remedy in this Agreement may conflict with Article XVI of the California Constitution or any other debt limitation provision of California law applicable to County, Contractor hereby expressly and irrevocably waives its right to such remedy.
