Subject: Letter of Intent to Participate in eligible flood risk reduction repairs under the Flood System Repair Project (FSRP) to Repair the Lake County Upper Lake Levee System.

Mr. Wheeldon:

The Lake County Watershed Protection District herewith submits this letter of intent to participate in the eligible repairs under FSRP, as identified in the Department of Water Resources (DWR) Notice of Eligibility, dated April 5, 2023.

This letter of intent is pursuant to an authorizing resolution of the Board of Directors of the Lake County Watershed Protection District dated September 19, 2023. Included are the following forms and support documentation:

1. Attachment B-2: LMA Representatives Form
2. Attachment B-3: Resolution of Authority

With this letter, and attached supporting documentation, the Lake County Watershed Protection District declares that it is legally authorized to contract with the State of California, is willing and able to design and implement the repairs in compliance with the California Water Code (CWC) § 9140 reporting requirements and will provide the State with the required assurances related to operation and maintenance of the project.

We understand that DWR will be contacting our representative(s) with additional information and a list of required documents to support development and execution of a Project Partnership Agreement (PPA). Please contact Jordan Beaton, Water Resources Program Coordinator, or Marina Deligiannis, Deputy Water Resources Director, if you have any questions during this process.

Sincerely,

Scott De Leon
Director of Water Resources
