Quote #: q4187

Item	Description	Quantity	Price	Amount
Custom Labor	This Estimate is just a ball park of cost and not a hard bid or proposal. Scope: Provide a 4" sewer lateral and connect at the south side of HWY29 where the depth is approximately 10' deep. Tie into the existing building where the depth is approximately 3' deep. Install code required clean outs at building and every 100'. Inclusions: Excavation of a trench, backfill, compaction and trench repaving. Trench pathway assumed to be free of rock and other obstructions. Exclusions: Permit cost, compaction testing, special inspections, Camera fees, Traffic controls, engineering cost or calculations, easement survey, man hole, design and hard dig.	1	\$137,600.00	\$137,600.00

Subtotal: \$137,600.00

Tax: \$0.00

Total: \$137,600.00

Payments: \$0.00
