Dear Board of Supervisors:

I am writing in regards to an item on the September 30th meeting agenda discussing Sonoma Clean Power. I have dual citizenship for Sonoma and Lake Counties having spent the last 50 years living and working in both counties. I have personally seen the good works and benefits of Sonoma Clean Power and would like to see Lake County residents have a new choice in power provider. Becoming part of Sonoma Clean Power would give us representation on their board as well as well as give residents of Lake County a new advocate in Sacramento and at the Public Utilities Commission. Hopefully the Board will support this beneficial decision.

Sincerely,

Bob Gardner, MD
