708.6 COORDINATION WITH OTHER JURISDICTIONS

Military equipment should not be used by any other law enforcement agency or member in this jurisdiction unless the military equipment is approved for use in accordance with this policy.

The Lake County Sheriff's Office works closely with local, county, state, and federal partners. In situations calling for specialized response or exigent circumstances and with the approval of the Sheriff or his/her designee, military equipment may be deployed within this jurisdiction and obtained from outside entities to promote the safety and security of our community members. If the Sheriff's Office acquires, borrows, or uses military equipment from one or more of its outside partners in such circumstances, it will provide written notification of its acquisition and/or use to the governing body within 30 days following the commencement of circumstance, unless such information is confidential or privileged under local, state or federal law.

The Sheriff's Office will make reasonable effort to ensure Military equipment used/deployed by any outside agency, during a mutual aid request by the Sheriff's Office complies with the using/deploying agency's respective military equipment use policies and the Lake County Sheriff's Office Military equipment use policy at the time of the agencies response, and absent exigent circumstances prior to deployment.

708.7 ANNUAL REPORT

Upon approval of a military equipment policy, the Sheriff or the authorized designee shall submit a military equipment report to the governing body for each type of military equipment approved within one year of approval, and annually thereafter for as long as the military equipment is available for use (Government Code § 7072).

The Sheriff or the authorized designee shall also make each annual military equipment report publicly available on the department website for as long as the military equipment is available for use. The report shall include all information required by Government Code § 7072 for the preceding calendar year for each type of military equipment in department inventory.

708.8 COMMUNITY ENGAGEMENT

Within 30 days of submitting and publicly releasing the annual report, the Department shall hold at least one well-publicized and conveniently located community engagement meeting, at which the Department should discuss the report and respond to public questions regarding the funding, acquisition, or use of military equipment.
