## ATTACHMENT 1

### Standard Terms and Conditions

#### 1. **SERVICES TO BE PERFORMED BY SUBCONTRACTOR**

1.01. **Prime Contract.** Subcontractor shall be bound and obligated by the Prime Contract, and to The Center, in the same manner and to the same extent as The Center is bound to the Funder under the Prime Contract, to the extent that the terms of the Prime Contract relate in any way, directly or indirectly, to the Services to be performed under this Agreement. Notwithstanding the foregoing or any contrary provision of this Agreement, nothing in this Agreement shall be construed as bestowing any rights or privileges on Subcontractor beyond what is provided for in the Agreement. Moreover, nothing in this Agreement shall be construed as limiting any rights or privileges of The Center otherwise allowed or provided for by the Agreement or the Prime Contract. In the event of an inconsistency between this Agreement and the Prime Contract, the terms of the Prime Contract shall govern.

1.02. **Status of Subcontractor.** Subcontractor enters into this Agreement, and will remain throughout the Term, as an independent contractor. Subcontractor agrees that Subcontractor does not and will not have any authority to act for, represent, obligate, or bind The Center in any way, nor in any way be deemed an agent, partner, joint venturer, employee, or in any other capacity a representative of The Center. Subcontractor agrees that Subcontractor is not entitled to the rights or benefits afforded to The Center's employees, including but not limited to disability or unemployment insurance, workers' compensation, medical insurance, sick leave, or any other employment benefit. Subcontractor is responsible for providing, at its own expense, disability insurance, unemployment insurance, workers' compensation insurance, and any other insurance, training, permits, and licenses for itself and for its employees and sub-subcontractors of any tier.

1.03. **Method of Performing Services.** Subject to the terms of this Agreement, Subcontractor will determine the method, details, and means of performing the Services hereunder. The Center reserves the right in its sole discretion to determine the amount and allocation of work assigned to Subcontractor at all times during the Term.

1.04. **Time and Place of Performing Services.** Subject to the terms of this Agreement, Subcontractor may select the time and location for performance of the Services.

1.05. **Employees.** Subcontractor shall not hire employees of The Center or any organization related to the Center to perform any portion of the Services or any work arising in connection with the Services, including, without limitation, secretarial, clerical, and similar incidental or nonincidental services.

1.06. **Equipment, Materials, and Tools.** Subcontractor will furnish all equipment, materials, tools, and supplies used in connection with performance of the Services.

1.07. **Payment of Taxes.** Subcontractor is responsible for paying when due all taxes, including penalties and interest, incurred in connection with Subcontractor's performance of the

Services including, without limitation, income taxes, self-employment taxes, and other taxes, including estimated taxes, incurred as a result of any Compensation paid by The Center to Subcontractor for the Services rendered hereunder. Subcontractor will not be treated as an employee for purposes of disability income, Social Security taxes and benefits, federal unemployment compensation taxes, state unemployment insurance benefits, state wage and hour laws, and federal income tax withholding at sources. Subcontractor agrees to defend and indemnify The Center for any claims, costs, losses, fees, penalties, interest, or damages incurred by The Center resulting from Subcontractor's failure to comply with this Section. Subcontractor further agrees that in the event and to the extent Subcontractor is determined, by a court or agency with jurisdiction, to be an employee for purposes of a California Wage Order due to application of the "ABC" test set forth in the California Supreme Court case *Dynamex Operations West, Inc. v. Superior Court*, 4 Cal.5th 903 (2018), Subcontractor will still be considered an independent contractor for purposes of this Agreement and all other laws.

1.08. Compliance with Laws. Subcontractor, in the course of performance of the Services, shall comply with all applicable federal, state, and local laws, ordinances, rules and regulations.

1.09. Record Retention/Audit. Subcontractor agrees to maintain and preserve records related to this Agreement until seven (7) years following (a) termination of this Agreement or (b) final payment to Subcontractor hereunder. Subcontractor further agrees to permit The Center or Funder (through their respective designated representatives) to have access to, examine, and audit any books, documents, papers, and records related to this Agreement and to allow interviews of any employees who might reasonably have information related to such books, documents, papers, or records.

Subcontractor agrees that The Center and Funder (through their respective designated representatives) will have the right at any time during the Term, during Subcontractor's normal business hours, to conduct monitoring activities including but not limited to on-site visits and desk reviews, with respect to the Services (including deliverables) being provided by Subcontractor hereunder and Subcontractor's compliance with this Section. Subcontractor further agrees to comply with all audit and record retention requirements of the Prime Contract. The provisions of this Section shall survive the termination of this Agreement.

## **2. COMPENSATION**

2.01 Compensation. In consideration for the Services provided in accordance with this Agreement, The Center will compensate Subcontractor pursuant to the Budget set forth in **Attachment 3**, attached hereto and incorporated herein by reference, subject to the not-to-exceed Total Subcontract Price. Unless otherwise required by the Prime Contract, invoice documentation shall be submitted on a monthly basis by the tenth (10<sup>th</sup>) day of the month, and shall detail actual line-item expenditures corresponding to **Attachment 3** incurred during the invoice period. Concurrently with such invoice documentation, unless expressly waived in a prior writing by The Center, Subcontractor shall deliver to The Center documentation for expenses corresponding to the invoice including, without limitation, time sheets or payroll records for each employee; receipts for supplies; documentation for sub-subcontract expenditures; and documentation for overhead and indirect expenditures. Subcontractor's duty to

submit both the described invoice documentation and corresponding expense documentation in accordance with this Section 2.01 is a condition precedent to payment and to The Center's obligation to make any payment to Subcontractor under this Section 2.01. Invoice documentation and expense documentation will require approval from The Center prior to payment. The Center will pay all approved Compensation owed to the Subcontractor hereunder by check mailed to the Subcontractor at the invoice address, or by electronic funds transfer to the financial institution authorized in writing by the Subcontractor, within forty-five (45) days after The Center's receipt of an approved invoice. If The Center cannot determine whether an expense should be allowed because invoice detail, fiscal records, or backup documentation is nonexistent or inadequate according to generally accepted accounting principles or practices, The Center may disallow all questionable costs, and The Center may withhold payment. Upon receipt of adequate documentation supporting a disallowed or questionable expense, reimbursement may resume for the amount substantiated and deemed allowable.

Notwithstanding the foregoing or any contrary provision of the Agreement, The Center will have no obligation to pay Subcontractor until The Center has received funds for such payment from the Funder.

2.02 Unauthorized Services. Any services not authorized under the terms of this Agreement shall be at the sole cost and expense of Subcontractor and will not be compensated by The Center or Funder and may in the sole and absolute discretion of The Center be deemed a material breach of this Agreement, and in no event shall an extension in the Term be granted on account of such unauthorized services.

2.03 Invoice Instructions. The agreement number must be identified on every invoice submitted for reimbursement and invoice must designate expenses by activity listed in **Attachment 3**. All invoices must include the following language: "By signing this report, I certify to the best of my knowledge and belief that the report is true, complete, and accurate, and the expenditures, disbursements and cash receipts are for the purposes and objectives set forth in the terms and conditions of the Agreement with The Center. I am aware that any false, fictitious, or fraudulent information, or the omission of any material fact, may subject me to criminal, civil or administrative penalties for fraud, false statements, false claims or otherwise. (U.S. Code Title 18, Section 1001 and Title 31, Sections 3729-3730 and 3801-3812)."

Attn:  
1321 Garden Highway  
Sacramento, California 95833

2.04 Timely Submission of Final Invoice. A final undisputed invoice shall be submitted for payment no more than thirty (30) calendar days following the expiration or termination date of this Agreement. Said invoice should be clearly marked "Final Invoice", indicating that all payment obligations of The Center under this Agreement have ceased and that no further payments are due or outstanding.

### **3. REPRESENTATIONS, WARRANTIES, AND COVENANTS OF SUBCONTRACTOR**

3.01. Non-Exclusive Relationship. Except as expressly provided otherwise herein, this Agreement does not create an exclusive relationship between the parties. Subcontractor may in its discretion perform services for and contract with additional clients, persons, or companies during the Term. The Center may, in its sole discretion, engage other contractors to perform the same or similar work that Subcontractor will perform under this Agreement before, during, or after the Term.

3.02. Conflict of Interest. Notwithstanding the foregoing Section 3.01, Subcontractor represents and covenants that it has no interest, direct or indirect, and shall have no such interest during the Term, that conflicts or would conflict in any manner with its relationship with The Center, performance of the Services under this Agreement, or any monetary or business interest of The Center or the Funder. The terms of this Section 3.02 shall bind Subcontractor and its employees, agents, sub-subcontractors of any tier, and third parties performing services or providing materials in connection with performance of the Services.

3.03. All Licenses. Subcontractor represents, warrants, and covenants that Subcontractor maintains, and will maintain at all times during the Term, all licenses, permits, and other governmental approvals and authorizations required by state, local, and federal laws to perform the Services, and will promptly provide copies of any such licenses, permits, and any other governmental approvals and authorizations to The Center upon request.

Notwithstanding any prior approval of an invoice pursuant to Section 2.01, The Center reserves the right to withhold payment, nullify and obtain reimbursement from Subcontractor for any payment made, terminate this Agreement, and/or take any other action to which it is entitled by law or this Agreement, as to any Services that The Center in its sole and absolute discretion determines to be incomplete, not satisfactory, or noncompliant with the Scope of Services or any other provision of this Agreement. Further, The Center may recover overpayments that The Center determines, in its sole and absolute discretion, by audit or otherwise, should not have been made to Subcontractor. Subcontractor agrees to reimburse any amounts, and/or return any overpayments, to The Center in accordance with this Section 3.05 within fifteen (15) days of demand by The Center.

3.06. Copyright; Proprietary Rights. Subcontractor represents and warrants that the materials, if any, produced by Subcontractor under this Agreement are and will be original and do not and will not infringe upon any intellectual property rights of The Center or any third party.

3.07. Return of Property of The Center. Upon the expiration or earlier termination of this Agreement, Subcontractor will return to The Center any and all property, documentation, records, equipment, intellectual property, and Confidential Information (defined in Section 7.01(a), below) that is the property of The Center.

#### 4. INDEMNITY.

4.01. General Indemnification. Subcontractor acknowledges and agrees that The Center may offset the amount of any indemnification payment due pursuant to this Article 4 against any amounts otherwise due and payable to Subcontractor in connection with this Agreement including but not limited to amounts otherwise due and payable under Section 2.01. The provisions of this Article 4 shall survive the expiration or earlier termination of this Agreement.

4.02. Indemnification – Patent and Intellectual Property. The following conditions apply to the extent that performance of the project by Subcontractor results in Subcontractor having access to or gathering Protected Health Information or Personal Information as defined in paragraph 4.1 below:

1. This Agreement has been determined to constitute a business associate relationship under the Health Insurance Portability and Accountability Act (HIPAA) and its implementing privacy and security regulations at 45 Code of Federal Regulations, Parts 160 and 164 (collectively, and as used in this Agreement).
2. The term “Agreement” as used in this document refers to and includes both this Business Associate Subcontractor Agreement and the contract to which this Business Associate Subcontractor Agreement is attached as an exhibit, if any.
3. For purposes of this Agreement, the term “Business Associate” shall have the same meaning as set forth in 45 CFR section 160.103.
4. DHCS intends that The Center and Subcontractor may create, receive, maintain, transmit or aggregate certain information pursuant to the terms of this Agreement, some of which information may constitute Protected Health Information (PHI) and/or confidential information protected by Federal and/or state laws.
  - 4.1 As used in this Agreement and unless otherwise stated, the term “PHI” refers to and includes both “PHI” as defined at 45 CFR section 160.103 and Personal Information (PI) as defined in the Information Practices Act at California Civil Code section 1798.3(a). PHI includes information in any form, including paper, oral, and electronic.
  - 4.2 As used in this Agreement, the term “confidential information” refers to information not otherwise defined as PHI in Section 4.1 of this Agreement, but to which state and/or federal privacy and/or security protections apply.
5. Subcontractor (however named elsewhere in this Agreement) is the Business Associate of The Center acting on The Center’s behalf and provides services or arranges, performs, or assists in the performance of functions or activities on behalf of The Center, and may create, receive, maintain, transmit, aggregate, use or disclose PHI (collectively, “use or disclose PHI”) in order to fulfill Subcontractor’s obligations under this Agreement. Subcontractor and The Center are each a party to this Agreement and are collectively referred to as the “parties.”

7. **Permitted Uses and Disclosures of PHI by Subcontractor.** Except as otherwise indicated in this Agreement, Subcontractor may use or disclose PHI only to perform functions,

**8.1.1** To comply with the more protective of the privacy and security standards set forth in applicable state or federal laws to the extent such standards provide a greater degree of protection and security than HIPAA or are otherwise more favorable to the individuals whose information is concerned; and

**8.1.2** To treat any violation of such additional and/or more protective standards as a breach or security incident, as appropriate, pursuant to Section 18. of this Agreement.

**8.2** Examples of laws that provide additional and/or stricter privacy protections to certain types of PHI and/or confidential information, as defined in Section 4. of this Agreement, include, but are not limited to the Information Practices Act, California Civil Code sections 1798-1798.78, Confidentiality of Alcohol and Drug Abuse Patient Records, 42 CFR Part 2, Welfare and Institutions Code section 5328, and California Health and Safety Code section 11845.5.

If return or destruction is not feasible, Subcontractor shall notify The Center of the conditions that make the return or destruction infeasible, and The Center and Subcontractor shall determine the terms and conditions under which Subcontractor may retain the PHI. If such return or destruction is not feasible, Subcontractor shall extend the protections of this Agreement to the information and limit further uses and disclosures to those purposes that make the return or destruction of the information infeasible.
- 17.
