5		Shipping & Handling**	1	ea	\$ 465.00	\$ 465.00	\$	465.00

*Price includes storage bag, one battery charger, one-year limited warranty, and license for the SL-DOG + API *** web portal software valid for one year from the date of purchase. Annual subscription renewal to the SL-DOG software will be quoted at the then current rate with an option to continue SL-DOG API access.

**Shipping, Handling, and Insurance via third party provider. Cost excludes any additional applicable taxes, duties, or other government charges.

InfoSense is currently an approved vendor on BuyBoard and TAUD. Please email crupes@infosense.com for more information.

***SL-DOG software consists of three components:

- (1) A local client runs on a PC. It downloads the SL-RAT data from the device and is provided at no charge.
- (2) A cloud-based web portal set up for each customer that can assist with the management of SL-RAT data. It includes the ability to edit measurement data, add manhole ID's, add comments, manage data quality, review productivity and export the SL-RAT data in a variety of formats including Google Earth "kml", Acrobat "pdf", and Excel or "csv".
- (3) A mobile APP for iOS and Android that can integrate with enterprise systems as well as enable entering notes and asset ID's in the field while conducting acoustic assessments.
- (4) The optional API functionality allows for automated exports and integration of SL-RAT data in to other applications.

Comments: (All returned or exchanged items are subject to 25% restocking fee.)
