Project Description Summary

Please provide a paragraph summarizing proposed project including the location, habitable structures, acres treated, etc. *

Operation Lake Co Ready will develop a comprehensive community education and outreach program to enhance wildfire prevention and awareness for those residing in very high and high fire hazard severity zones with an emphasis on reaching those who are not internet or social media consumers.

Through outreach material development in English and Spanish, Lake County OES and the Fire Chief's Association will provide information and resources at multiple annual community events;
