Subject: RFR - UPX 23-02, Extension for Use Permit UP 21-18, Brelji and Race Engineering Consultants

Hi all,

The engineer working for Sunrise Mutual Water Company in Lower Lake has submitted an extension request for a major use permit that was approved on September 18, 2021. The original approval was for improvements to the water company's facilities. If approved, this extension would be valid for a period of one year.

Eric,

The parcels listed in UPX 23-02 are outside of any Special Districts service areas, no impact.

One. More. Day ☺
