| Allocation Applicant | | | | | | | | | | | |
| Allocation Applicant is a County | | | | | | | | | | Yes | |
| Pursuant to Section 50811 of the HSC, HCD consulted with the Department of Social Services, the Department of Finance, and the County Welfare Directors Association to establish the formula allocation for the purpose of distributing these funds to counties. The formula allocation is based on each county's percentage of the total statewide number of young adults 17 through 21 years of age in the foster care and probation system. The allocation excludes Alpine and Mono counties because their calculation did not demonstrate need. The housing navigation and maintenance program for a county that accepts an allocation of money pursuant to this section shall provide training to its child welfare agency social workers and probation officers who serve nonminor dependents. The training shall address an overview of the housing resources available through the local coordinated entry system, homeless continuum of care, and county public agencies, including, but not limited to, housing navigation, permanent affordable housing, THP-Plus, and housing choice vouchers. The training shall also address how to access and receive a referral to existing housing resources, the social worker's and probation officer's role in identifying unstable housing situations for youth, and referring youth to housing assistance programs. <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> | | | | | | | | | | | |
