Subject: [EXTERNAL] Save the name Kelseyville

As a longtime resident (75 years) of Kelseyville, I would like to see the Advisory Vote be included on the November 5, 2024 ballot for the citizens of Kelseyville. I recommend the voting area be designated as Kelseyville, defined by the KVUSD boundary.

We have never honored Strong or Kelsey! And never will. Please help us keep the Kelseyville name of our beautiful town.

Thank you,
Kathleen Prather
