PROCLAMATION

DESIGNATING THE MONTH OF AUGUST 2025 AS CHILD SUPPORT AWARENESS MONTH

WHEREAS, Child Support Awareness Month is recognized in California and nationwide. This year, it's important to acknowledge the positive changes and modernization across the country: in the last five years there has been more legislative action improving the child support program than in the past five decades.

From prioritizing payment to families over aid recoupment to utilizing enforcement actions that promote payment and family stability, the state is committed to finding solutions and meeting people where they are.

WHEREAS, During Child Support Awareness Month, we recognize the role of these efforts to help Californian's co-parenting their children to thrive and avoid the expense and hassles that come with attorney's and private companies.
