Dear Mary,

I hope this message finds you well.

I am writing regarding the Highland Farms Project (UP 20-96) and Appeal AB 24-02. I just sent over clarifications and supporting documents for the project via *fileshare*; please let me know when you've received it. These materials are intended to ensure the comprehensive inclusion of all relevant information for the upcoming hearing scheduled for October 22, 2024.

The files included are as follows:

1. 24-10-11 Project Description
2. 24-10-11 Highland Response to Appellant's Letter
3. Road Bio Tech Memo 240810.pdf
4. Highland Farms LP – Hydro & Water Avail Review
5. Project Summary and Clarifications (BIO)

6. Dust Mitigation Plan (previously sent)
 - a. 2024-08-09 HF Civil BOS Appeal Draft Response.pdf
 - b. 2024-08-09 HF Access Rd & Dust Control Plan.pdf
 - c. Serpentine Soil Map.pdf
 - d. serpentine-dust-plan-form.pdf

Please ensure that these documents are included in the hearing package. Should you require any additional information or clarification, please do not hesitate to contact me directly.

Due to file size limitations, revised civil plans reflecting 100' and 50' setbacks will be sent separately.

Thank you for your attention to this matter.

Best Regards,

Autumn Karcey, CEO
