

Congress of the United States
Washington, DC 20515

November 18, 2025

The Honorable Members of the Lake County Board of Supervisors
The Honorable Members of the LACOSAN Board of Directors
255 North Forbes Street
Lakeport, CA 95453

Dear Honorable Members of the Lake County Board of Supervisors and LACOSAN Board of Directors:

I strongly support approval of Amendment No. 4 to the Southeast Geysers Effluent Pipeline (SEGEP) Joint Operating Agreement and the extension of the Clear Lake Water Supply Agreement through 2050.

For 30 years this partnership has protected Clear Lake water quality by eliminating wastewater discharges, delivered reliable renewable geothermal energy to California's grid, and sustained hundreds of good-paying Lake County jobs plus millions in annual revenue and royalties.

Amendment No. 4 extends these proven benefits for another 25 years while providing Lake County an additional \$100,000 in annual revenue and full reimbursement of intake-structure costs—at no expense to ratepayers or the General Fund.

Please provide full consideration for approving these extensions without delay.

Thank you for your leadership.

Sincerely,

Mike Thompson
Member of Congress
