

BOARD OF SUPERVISORS, COUNTY OF LAKE, STATE OF CALIFORNIA

ORDINANCE NO. _____

AN ORDINANCE AMENDING CHAPTER 21, ARTICLES 4, 5, 6, 7, 8, 9, 10, 11, 12, 13, 18, 19, 27, AND 68 OF THE LAKE COUNTY ZONING ORDINANCE TO IMPLEMENT GENERAL PLAN HOUSING ELEMENT POLICY HE-38; HE-59; HE 60; HE-61; HE-71; HE-72; and HE-73 PERTAINING TO HOUSING DEVELOPMENT

WHEREAS, the General Plan - Housing Element is a tool to address future housing development through a variety of policies, including reducing governmental obstacles to housing development; and

WHEREAS, the Sixth Cycle Housing Element was approved by the Board of Supervisors on March 26, 2019, and certified by the State of California – Housing and Community Development Department on September 16, 2020; and

WHEREAS, Policy HE-38 reduces governmental obstacles to housing by declaring several types of residential development as a use by right within certain zoning districts, subject to objective development standards; and

WHEREAS, Policy HE-59 reduces governmental obstacles to supportive housing by declaring supportive services and housing by right in certain commercial and residential zoning designations that have access to support services; and

WHEREAS, Policy HE-60 reduces governmental obstacles for emergency shelters by removing the setback to other facilities; removing parking requirements; removing minimum number of beds required, and increasing the maximum length of stays permitted; and

WHEREAS, Policy HE-61 reduces governmental obstacles for agricultural employee housing by permitting such uses with a Minor Use Permit within certain zoning districts, subject to objective development standards; and

WHEREAS, Policy HE-71 reduces governmental obstacles for mixed-use commercial and residential development by declaring it as a use by right within certain zoning districts, and removing parking requirements; and

1 **WHEREAS**, Policy HE-72 reduces governmental obstacles for multifamily
2 development with 20 or more units by declaring it a use by right within certain zoning
3 districts, subject to objective development standards; and

4 **WHEREAS**, Policy HE-73 reduces governmental obstacles for Low Barrier
5 Navigation Centers, as defined in Government Code Sections 65660-65668 by
6 declaring them a use by right within certain zoning districts, subject to objective
7 development standards.

(b) Duplex and Multifamily=2292 sf/du

(c) Accessory Dwelling Units shall not be counted towards maximum density calculations.

19.24 Maximum Lot Coverage

(a) One hundred percent (100%)

(b) For multi-story mixed-Use projects: One hundred (100) percent per level.

19.25 Residential Construction Standards

(a) All residential dwelling units, including multi-family housing and townhouses, shall meet the minimum residential construction standards of the "R1" district,

Section 10.20, unless otherwise specifically provided.”

SECTION 19: Subsection (as) of Section 27.13, Article 27, Chapter 21 of the Lake County Code is hereby amended and shall read as follows:

“Article 27.13(as) Emergency Shelter

1. Purpose. The purpose of these regulations is to establish standards to ensure that the development of emergency shelters (shelters) does not adversely impact adjacent parcels or the surrounding neighborhood and that they are developed in a manner which protects the health, safety and general welfare of the nearby residents and businesses. These performance standards shall apply to all shelters. These regulations are hereby amended to comply with state law, including Assembly Bill 139.

2. Location. A shelter may be established in any “C3” Service Commercial District.

3. Property Development Standards. The development shall conform to all property development standards of the C3 zoning district, with the exception of parking requirements, as well as Sections 21-41, 21-45, 21-46.10, and 21-53.

4. Length of Stay. The maximum length of stay at the facility shall not exceed one hundred eighty days in a three-hundred-sixty-five day period.

5. Hours of Operation. Shelters shall establish and maintain set hours for client intake/discharge. Hours of operation must be prominently posted on site. Clients shall be admitted to the facility between six p.m. and eight a.m. during Pacific Daylight Time and five p.m. and eight a.m. during Pacific Standard Time. All clients must vacate the facility by eight a.m. and have no guaranteed bed for the next night. Clients using optional Facilities/Services may remain onsite outside of these hours.

6. Onsite Parking. Onsite parking shall be provided in the ratio of one space for every six adult beds or one-half space per bedroom designated for family units with children. One space shall be provided for each manager/staff member. Bike rack parking shall also be provided by the facility.

7. Lighting. Adequate exterior lighting shall be provided for security purposes. The lighting shall be stationary and shielded/down lit away from adjacent properties and public right of way.

8. Required Facilities. Shelters shall provide the following facilities.

i. Indoor client intake/waiting area of at least one hundred square feet. If an exterior waiting area is provided, it shall not be located adjacent to the public right of way and shall be visibly separated from public view by minimum six foot tall visibly screening mature landscaping or a minimum six foot tall decorative masonry wall. Provisions for shade and or rain protection shall be provided.

ii. Interior and or exterior common space for clients to congregate shall be provided on the property at a ratio of not less than fifteen square feet per client, with a minimum overall area of one hundred square feet. Common space does not include intake areas.

9. Optional Facilities/Services. Shelters may provide one or more of the following types of common facilities for the exclusive use of residents:

i. Central cooking and dining room(s) subject to compliance with county health department requirements. Only clients that have been guaranteed a bed shall be eligible for a meal.

ii. Recreation room.

iii. Counseling center.

iv. Child-care facilities.

v. Other support services intended to benefit homeless clients.

10. Shelter Management. The shelter provider or management shall demonstrate that they currently operate a shelter within the state of California or have done so within the past two years and shall comply with the following requirements:

i. At least two facility managers and or volunteers shall be on site and one shall be awake at all times the facility is open. The manager's area shall be located near the entry to the facility. Additional support staff shall be provided as necessary, to ensure that at least one staff member is provided in all segregated sleeping areas, as appropriate.

ii. An operational and management plan (plan) shall be submitted for review and approval by the Community Development Director. The approved plan shall remain active throughout the life of the facility, and all operational requirements covered by the plan shall be complied with at all times. At a minimum, said plan shall contain provisions addressing the following issues:

(aa) Security and safety: Addressing both on and offsite needs, including provisions to ensure the security and separation of male and female sleeping areas, as well as any family areas within the facility.

(ab) Loitering/noise control: providing specific measures regarding operational controls to minimize the congregation of clients in the vicinity of the facility during hours that clients are not allowed on site and or when services are not provided.

(ac) Management of outdoor areas: including a system for daily admittance and discharge procedures and monitoring of waiting areas with a goal to minimize disruption to nearby land uses. Smoking shall be allowed in designated areas only.

(ad) Staff training: with objectives to provide adequate knowledge and skills to assist clients in obtaining permanent shelter and income. At least one facility manager shall be CPR and First Aid certified.

(ae) Communication and outreach with objectives to maintain effective communication and response to operational issues which may arise in the neighborhood as may be identified by city staff or the general public.

(af) Adequate and effective screening: with the objectives of determining admittance eligibility of clients and providing first service to Lake County area residents.

(ag) Litter control: with the objective of providing for the regular daily removal of litter attributable to clients within the vicinity of the facility."

County Code is hereby added, and shall read as follows:

SECTION 21: Subsection (aad) of Section 27.13, Article 27, Chapter 21 of the Lake

County Code is hereby added, and shall read as follows:

"(ac) Agricultural Employee Housing

1. *Purpose. To provide safe, adequate, and well-maintained housing for agricultural employees and their families, as an accessory use to agricultural operations, in zones where agriculture is a permitted use.*

2. *Scale and Occupancy. Agricultural employee housing shall consist of six (6) to twelve (12) dwelling units, or up to thirty-six (36) beds, whichever is greater, and shall be occupied by agricultural employees and their families employed principally on the agricultural land on which the housing is located.*

3. *Accessory Use. The housing shall be clearly incidental and accessory to the primary agricultural use of the property.*

4. *Development Standards. Agricultural employee housing and any accessory structures shall comply with the development standards of the base zoning district, including lot size, setbacks, and height limits, and the performance standards of Article 41.*

5. *Parking Requirements. Onsite parking shall be provided at a ratio of one (1) parking space for every two (2) beds, with a minimum of six (6) spaces for the overall facility.*

6. *Notice of Farming Practices. Where agricultural employee housing is to be located on property within this district, prior to issuance of a zoning clearance, the owner(s) of the property shall be required to sign a statement of acknowledgment of the notice of farming practices as set forth in Section 4.18.*

7. *Compliance with State Regulations. Agricultural employee housing shall comply with all applicable state laws and regulations governing such housing, including but not limited to those pertaining to health, safety, and habitability."*

SECTION 22: Subsection (26) of Section 68.4(m), Article 68, Chapter 21 of the Lake

County Code is hereby added, and shall read as follows:

"26. Supportive Services: Including, but not limited to, a combination of subsidized, permanent housing, intensive care management, medical and mental healthcare, substance abuse treatment, employee services, and benefits advocacy."

SECTION 23: Subsection (a) of Section 68.4, Article 68, Chapter 21 of the Lake County Code is hereby amended, and shall read as follows:

“(a) DEFINITIONS (A)

1. Abandonment: The relinquishment of property, or a cessation of the use of the property by the owner for a period of one (1) year or more.

2. Abutting: Having a common boundary except that parcels having no common boundary other than a common corner shall not be considered abutting.

3. Accessory: Incidental, appurtenant or subordinate to the principal use or structure on the same lot or parcel.

4. Accessory residence: A single-family dwelling or mobilehome for the use of the business operator, caretaker or watchman whether as a portion of the business building, or as a separate structure.

SECTION 25: The Board of Supervisors independently finds and determines that this

1 action is exempt from CEQA pursuant to CEQA Guidelines section 15061(b)(3): it can
2 be seen with certainty that the series of Municipal Code text amendments, as required
3 by State law to implement the County's Housing Element, would not result in a
4 significant effect on the environment, and the proposed revisions to the Municipal Code
5 are exempt from further review under CEQA.

6 SECTION 26: All ordinances or parts of ordinances or resolutions or parts of resolutions
7 in conflict herewith are hereby repealed to the extent of such conflict and no further.

8 SECTION 27: This ordinance shall take effect on the ____ day of _____, and
9 within 15 days after adoption of the ordinance, the Clerk to the Board of Supervisors
10 shall publish a summary of the ordinance with the names of those Supervisors voting for
11 and against the ordinance and the Clerk shall post in the office of the Clerk to the Board
12 of Supervisors a certified copy of the full text of the adopted ordinance along with the
13 names of those Supervisors voting for and against the ordinance.
