3. The facts upon which the change in assessed value is based are as follows:

Subject property consists of a 1152 square foot manufactured home situated on approximately 39 acres in Lower Lake.

The property was originally purchased on January 14, 2022 for \$675,000. Under Proposition 13, this amount has been factored to \$702,270 as the 2024 factored base year value.

When submitting the application, the applicant initially estimated the property's value at \$530,000. Since then, the applicant has conducted an appraisal and analysis, concluding that the property's value is lower than their original estimate.

Market comparable sales support a temporary reduction in value under the Proposition 8. Both the Assessor and the applicant agree on a market value of \$430,000 as of January 1, 2024.

The property will continue to be reviewed annually for market value until it reaches the Proposition 13 value.

The undersigned respectfully requests that the County Board accept the stipulation, waive the appearance of the applicant, and change the assessed value in accordance with Revenue and Taxation Code section 1610.8 and the California Constitution, Article XIII, section 16.

The applicant understands that in the event this stipulation agreement is not approved by the County Board prior to the time that taxes, or any portion thereof, become due, payment shall be made in accordance with the appropriate provisions of the Revenue and Taxation Code.

Further, applicant understands that the County Board may reject this stipulation agreement, and set or reset this application for hearing, pursuant to Revenue and Taxation Code section 1607.

I hereby stipulate to the values for the subject property, as stated in the "Corrected Assessed Value" section of this agreement. If the corrected value(s) is approved by the County Board, the stipulation agreement also constitutes a withdrawal of the Assessment Appeal Application.
