Re: Resignation from the Lake County Cannabis Task Force

Dear Lake County Cannabis Task Force

On behalf of the Lake County Fire Chiefs Association this letter serves as a request to resign our seat on the Lake County Task Force. It has been a pleasure to work with the Task Force and appreciate the opportunity to serve with the group. We have developed friendships and mutual respect through our time with you. Due to overwhelming schedules that frequently conflict with the Task Force which will only increase our absence in person and teleconferencing that the Lake County Fire Chiefs Association feels it can no longer provide the support needed to the Task Force as you move forward. We are still available to support the Task Force as needed in the technical expertise related to fire prevention, protections and current codes and regulations. If you have any questions, please feel free to contact me.

Respectfully submitted

Willie Sapeta, President
Lake County Fire Chiefs Association
