Thank you for your prompt replies. I have no objection to the proposal as I now understand it to be.

Subject: [EXTERNAL] Public Safety Tower/ 3275 Hill Road
Date: Thursday, January 4, 2024 6:20:17 AM

I am commenting on the proposed cell phone tower on APN 005-015-41
I live at 3355 Hill Road adjacent to the tower and within 200 yards.
Our major concern is lights. We would request that no lights be attached to the tower. We have seen bright blinking lights etc. on the top of these towers and this would be something that would not be acceptable. Other than light the project is acceptable.

Thank you for the opportunity to comment on this notice of intent.

Sincerely,
Sam Connell
