

## WIR Schedule at a Glance

### Tuesday, May 5

**Optional Pre-  
Conference Mobile  
Tour of Haleakalā  
National Park**  
9 to 4 PM

Join us for a full-day, pre-conference mobile tour through Haleakalā National Park, where participants will learn about collaborative efforts to protect Maui's unique natural and cultural resources. The tour will highlight ongoing conservation initiatives, the park's partnership work with local communities, and the challenges and opportunities of stewarding fragile ecosystems in a high-visitor environment.

Throughout the day, participants will visit key sites within the park and hear from National Park Service staff and local partners about habitat restoration, visitor management strategies, and the cultural significance of Haleakalā's landscapes. Participants can expect the tour to include scenic viewpoints, interpretive stops, and opportunities to learn about intergovernmental collaboration supporting long-term sustainability.

Please note that this tour involves a long drive to and from the summit area, as well as a small amount of walking at select stops.

*\*Separate registration required. Boxed lunches provided.*
