To whom it may concern,

Lake County was unable to verify that your property, listed with an online website, was properly registered with a Transient Occupancy Tax Certificate. In the unincorporated areas of Lake County, all lodging businesses and private home vacation rentals must collect and remit Transient Occupancy Tax (TOT) from guests staying 30 days or less. These requirements apply whether properties are rented directly by owners, through a local property manager, or through an online listing site.

As the owner of the property listed above, Lake County would like to work with you in completing the process to fully comply with the County's Transient Occupancy Tax Ordinance. The first steps are to register and obtain a TOT Certificate for your rental property, report and remit the appropriate transient occupancy tax for the periods of 8/21/2022 through today, and to ensure compliance for all future rental activity.

For the next 15 days Lake County may waive any penalties and interest normally assessed for the period you operated your short-term rental property in a non-compliant state. If you do not complete the registration process and provide payment, Lake County will calculate estimated taxes due, including penalties and interest, for up to three years.

You may register your property and remit payment with our office. If you have any questions, please email us at taxcollector@lakecountyca.gov or call a member of our office at (707)263-2234. For additional information about Lake County's Transient Occupancy Tax Ordinance, please visit our website at tax.lakecountyca.gov.

An initial letter was sent to you on 4/28/2025, and no response was received before the Board approved penalty relief period had ended. Therefore, the Tax Collector's Office will be unable to waive penalties or interest normally assessed for the period you operated your short-term rental property in a non-compliant state, but there is a possibility of setting up a repayment arrangement with our office if the taxes due prove to be substantial. For this to occur, though, you must register with our office and provide earnings reports to confirm activity levels since you began operation within ten (10) days of receipt of this letter. If you do not attempt to come into compliance with the ordinance within that time period, Lake County will calculate estimated taxes due, including penalties and interest, for up to three years.

If you have any questions, please email us at taxcollector@lakecountyca.gov or call a member of our office at (707)263-2234. For additional information about Lake County's Transient Occupancy Tax Ordinance, please visit our website at tax.lakecountyca.gov.

RE: TRANSIENT OCCUPANCY TAX NON-COMPLIANCE, APN: 144-131-040-000

To whom it may concern,

Our office sent you letters dated 4/28/2025 and 6/2/2025 regarding your property that is listed with an online website and is not properly registered with a Transient Occupancy Tax Certificate. In the unincorporated areas of Lake County, all lodging businesses and private home vacation rentals must collect and remit Transient Occupancy Tax (TOT) from guests staying 30 days or less with the Tax Collector's office. These requirements apply whether properties are rented directly by owners, through a local property manager, or through an online listing site.

Because no response was received to the letters we sent and you have not otherwise attempted to come into compliance with the County TOT regulations, we have calculated the taxes due, including penalties and interest, for the period of 8/21/2022 to 3/31/2025 (The end of Q1 2025).

This estimate was made with guidance from the State Controller's Office; it assumes full occupancy for the entire period of non-compliance at the highest advertised rate. This estimated amount can be lowered if an appeal is made with our office, in writing, and accompanying documentation is provided that confirms the actual amount of activity that occurred during the aforementioned period was less than calculated. This appeal must be filed with our office within ten days of receipt of this determination. If no effort is taken to appeal the amount due, it will be due and payable immediately. Furthermore, the taxes due will continue to accrue interest at a rate of ½% per month and additional action to collect may be undertaken by our office.

Estimated TOT Tax: Estimated Penalty: TOTAL TAX DUE:

50401.26 14120.56 **64521.82**

You must still register your property and remit payment with our office if you wish to continue to conduct business. If you have any questions, please email us at taxcollector@lakecountyca.gov or call our office at (707)263-2234.

Sincerely,

RE: 21469 Yankee Valley Rd Hidden Valley Lake CA 95467, APN: 144-131-040-000

To whom it may concern,

Our office has sent you multiple letters regarding your property that is listed with an online website and your continued non-compliance with County Transient Occupancy Tax ordinances and/or other related determinations made by this office.

Pursuant to County Code Chapter 18 § 18-23B, the Treasurer-Tax Collector is authorized to record a Certificate of Delinquency of Transient Occupancy Tax Lien with the Lake County Recorder. This lien shall not be removed until the delinquent taxes, penalties for delinquency, and costs of collection are fully paid, or the property is sold for the payment thereof. Those total taxes, penalties, and costs are calculated below; a more detailed breakdown is enclosed with this letter.

TOTAL DUE: \$70160.06

A lien in this amount above will be recorded ten (10) days from the date of this letter. You are encouraged to provide any evidence indicating a different amount of activity than calculated before this ten-day period has ended. This evidence will be used to adjust the amount to be liened.

At any time within three years of the recording of this lien, the Tax Collector is authorized to collect the delinquent amount by seizing, or causing to be seized, any property, real or personal, of the Operator(s) and sell any non-cash or non-negotiable property, or a sufficient part of it at public auction to satisfy the amount of tax due, together with any penalties, interest, and any costs incurred on account of the seizure and sale.

Continued operation of this unlicensed rental property is a misdemeanor crime punishable by a fine and/or imprisonment. If you have any questions, please email a member of our office at taxcollector@lakecountyca.gov or call our office at (707)263-2234.
