**NORTHSHORE FIRE PROTECTION DISTRICT
LAKE COUNTY, CALIFORNIA**

RESOLUTION 2024-1 AMENDED 5/10/24

**RESOLUTION APPROVING THE NORTHSHORE FIRE PROTECTION DISTRICT FIRE
MITIGATION FEE NEXUS STUDY AND REQUESTING THE LAKE COUNTY BOARD OF
SUPERVISORS ADOPT AND IMPLEMENT THE PROPOSED FIRE MITIGATION FEE
PROGRAM ON BEHALF OF NORTHSHORE FIRE PROTECTION DISTRICT**

WHEREAS, AB 1600 was adopted and codified in California Government Code § 66000 allowing the establishing, increasing, or imposing of a mitigation fee as a condition of approval for new development where the purpose and use of the fee were identified and reasonable relationship to the development project was demonstrated; and

WHEREAS, the Northshore Fire Protection District ("District") Board of Directors ("Board") has received and considered the Fire Mitigation Fee Nexus Study dated December 12th, 2023 prepared by Ridgeline Municipal Strategies, LLC ("Nexus Study") that provides the required information to update the District's Fire Mitigation Fee Program.

NOW, THEREFORE, IT IS HEREBY RESOLVED that:

1) The Board hereby receives and approves the Nexus Study.

2) Prior to adopting this Resolution, the Board conducted a public hearing at which oral and written presentations were made, as part of the Board's regularly scheduled meeting held on January 10th, 2024. Notice of the time and place of the meeting, including a general explanation of the matter to be considered, has been published twice in the local newspaper. Additionally, at least ten days prior to the meeting, the District made available to the public information about the amount of the estimated cost required to provide the services for which the fee is to be updated pursuant to the Resolution by way of such public meeting, including the Nexus Study attached as Exhibit A, which formed the basis for the action taken pursuant to this Resolution.

3) After considering the Nexus Study, this Resolution, the presentations, and the testimony received at this public hearing, the Board hereby makes the following findings:

a. The purpose of the Fire Mitigation Fee hereby approved is to protect the public health, safety, and welfare of the community by requiring new development to contribute to the cost of fire protection and emergency medical response facilities necessary to mitigate the impacts created by such development; and

b. The revenues from the Fire Mitigation Fee hereby approved will be used to provide public facilities needed to mitigate the impacts of new development. These facilities are identified in the Nexus Study; and

c. The Nexus Study demonstrates that there is a reasonable relationship between:

i. The use of the Fire Mitigation Fee and the types of development projects on which the fee is imposed;

1 ii. The need for public facilities and the types of development projects on which
2 the Fire Mitigation Fee is imposed; and

3
4 iii. The amount of the Fire Mitigation Fee and the cost of the public facilities
5 attributable to the development on which the fee is imposed.
6

7 4) The Board does hereby approve the following Fire Mitigation Fee amounts on new
8 development, which shall be collected as a condition of approval:
9

<u>Development Type</u>	<u>Fire Mitigation Fee</u>
Residential Development	\$2.02
Non Residential Development	\$2.02

13
14 5) The Board does hereby approve and request that the Fire Mitigation Fee be
15 automatically adjusted for inflation each year on July 1, commencing on July 1, 2024, by
16 an amount equal to the percentage change of the Engineering News-Record Building
17 Cost Index (20-Cities Average) for the 12-month period ending in the month before the
18 adjustment takes place.
19

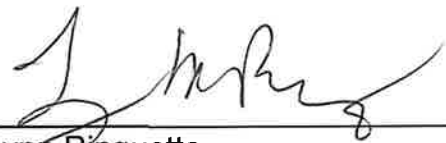

20 6) The Board finds pursuant to the California Environmental Quality Act ("CEQA") that
21 this action is not a "project" because the Resolution provides a mechanism for funding
22 fire protection and emergency medical response facilities, apparatus, and equipment,
23 but does not involve a commitment to any specific project for such purposes that may
24 result in a potentially significant impact on the environment, per CEQA Guidelines §
25 15378.
26

27 7) If any portion of this Resolution is found by a court of competent jurisdiction to be
28 valid, such finding shall not affect the validity of the remaining portions of this Resolution.
29

30 **BE IT FURTHER RESOLVED** that the Board of Directors of the Northshore Fire Protection
31 District formally requests that the Lake County Board of Supervisors adopt and implement this
32 approved Fire Mitigation Fee Program on behalf of the District.
33

34 **PASSED AND ADOPTED** by the Board of Directors of the Northshore Fire Protection District at
35 a regularly scheduled meeting held on May 10th, 2024 by the following vote of said Board:
36

37 AYES: Ringuette, Barnette, Schwenger, Burton
38 NOES: ~~Stowell~~
39 ABSENT: ~~Stowell~~
40 ABSTAIN: ~~Stowell~~
