RE: Commitment to One-Time Dedication of 1% of Local Assistance and Tribal Consistency Funding (LATCF) in the amount of \$30,607.51 toward Establishment of the National Center for Public Lands Counties

To Whom it May Concern:

During our May 9, 2023, meeting, our Board committed to a one-time dedication of \$30,607.51 in Local Assistance and Tribal Consistency Funding (LATCF) toward establishment of the National Center for Public Lands Counties.

As you would expect, this allocation will be effectuated during our Board's FY 2023-24 Budget Process. However, we have been informed NACo has a need to document commitments prior to your Western Interstate Region Board Meeting of May 17, 2023.

This Letter documents Lake County's commitment.

Please do not hesitate to contact the County Administrative Office, at 707-263-2580, or Matthew.Rothstein@lakecountyca.gov, if further documentation is needed.

Sincerely,

Jessica Pyska
