Subject: Lake Pillsbury/Potter Valley Project

Dear Ms. Purdy,

As a lifetime visitor and leaseholder at Lake Pillsbury, I have not always been aware of the many valuable assets that Lake Pillsbury provides. My love for the area has been rooted in my family's campsite, cabin, and of course the beauty of being on and around such an amazing "close but far" body of water in your county.

Now, understanding Lake Pillsbury's diverse role in the landscape, the local economy, and as a valuable resource for Lake, Mendocino, and Sonoma counties, I feel even more compelled to help protect the Lake. I know that there is complexity to this issue that I may not fully understand, but I hope that you will bring Lake County into the very important effort in protecting Lake Pillsbury as well.

Thank you in advance for your time and efforts.
