COUNTY OF LAKE BOARD OF SUPERVISORS

ERRATUM TO THE April 8, 2025 AGENDA

Summary of changes:

The title was changed from 10:00 A.M. - Consideration of Federal Update - Administration for Children and Families (ACF) Mass Layoffs for Discussion to **ERRATUM - 10:00 A.M. Consideration of Federal Updates**

A correction was made to Item 6.7 "Consideration of Federal Update – ACF Mass Layoffs" and Item 6.8 "Consideration of Federal Update – Food Bank Funding", combining the two items into one Item 6.7 retitled "Consideration of Federal Updates".

Additional federal cuts and layoffs have been identified since submitting Items 6.7 and 6.8. Delaying discussion may impact Lake County's ability to adequately address these challenges. Issues discussed will include, but not be limited to, Administration for Children and Families (ACF) layoffs, USDA TEFAP (The Emergency Food Assistance Program) food bank funding cuts, Health and Human Services (HHS) layoffs and program funding cuts, elimination of the Administration for Community Living (ACL), and claw backs of federal Library Services and Technology Act (LSTA) funding.
