Sent from my iPadPlease consider an Advisory Vote be included on the November 5, 2024 ballot for the citizens of Kelseyville, as defined by the Kelseyville Unified School District boundaries. I am sorry that this even has to come to a vote. I have lived in Kelseyville for over 70 years and there was never a celebration for Kelsey or Stone, nor will there be. What a shame that this much effort has to be made over something that occurred over 150 years ago when there are so many other needs in this county. Please bring this division of our community to a stop!

Sincerely,
