

To the Hearing Officer / Board of Supervisors:

I am the owner of the property located at 16068 34th AVE Clearlake CA 95422

I support the petition to rescind the tax sale because I did not receive the required notices prior to the sale. The notices were sent to an incorrect address and therefore I was unaware that my property was scheduled for a tax sale.

Had I received proper notice, I would have taken immediate steps to pay the delinquent taxes or arrange payment with the Tax Collector.

Because proper notice is required before a tax sale, I respectfully request that the Board approve the rescission and restore the property to my ownership.

Thank you for your consideration.
