**Dear Clerk to the Board of Supervisors,**

**This will serve as my notice that I will appeal Sheriff Martin's decision to deny my application to stage The Sprint Boat Grand Prix on June 2-4, 2017.**

**In light of the lead time required to complete the appeal process, I request that you expedite my appeal to the extent you are allowed.**

**I stand ready to present to the Board, my event plan and any required additional information as soon as the process allows.**

**Please advise me how to proceed, as the event is scheduled to occur in approximately eight weeks.**
