Steelcase Dealer Authorization:

No matter where you are, it's easy to do business with Steelcase. We make our products and services available through the largest, most experienced network of dealers in the industry. The Steelcase dealer network is comprised of 750+ dealers with over 800 locations around the world. Most of our dealerships are independently owned and operated, and a few are Steelcase owned.

Steelcase dealers offer local knowledge, skilled labor, workplace installation, regional asset management, and other services that may include providing audio-visual technology, floor coverings, ceilings and more to satisfy customer projects and high expectations. Steelcase appoints our dealers with great care. Because of the personal nature of each dealer appointment and the importance of continuing successful customer relationships, Steelcase thoroughly assesses each dealer candidate, including the principal owner of the business, along with the proposed management team, before appointing an Authorized Steelcase Dealer.

One Workplace is our only Authorized Steelcase Dealer in Northern California with local offices in Santa Clara, San Francisco, Oakland, Sacramento, and Salinas California. Additional dealer details can be found on www.steelcase.com under "Find a Dealer"
