Dear Lake County Board of Supervisors,

I'm writing to inform you of my resignation from my position as Southern Lake County seat with the Cannabis Ordinance Task Force. I accepted new projects in Southern California and Portugal that are far more demanding roles and require a greater portion of my time to be outside of Lake County. Unfortunately, this means that my last day with the board is effective immediately.

I apologize for the inconvenience this may cause, and I thank you for the opportunity to connect and collaborate with talented and thoughtful professionals in a variety of Lake County industries and organizations. I hope to maintain the professional relationships I've made after my resignation and will do as much as I can to keep abreast of the growth and evolution of the Lake County Cannabis Ordinance.

I wish the Board of Supervisors and all Task Force members the best and I look forward to following the Task Force's continued progress.

Sincerely,

Johnn Richmond Kelly
