ECS Gold Priority Support consists of 10 hours of on-line or on-site support time, unlimited phone support, and a 4 hour response time for most services offered by ECS including Laserfiche tech support, installations, configurations of workflow and forms, and integration services. Support beginning 06/16/2024 and expiring 06/15/2025. An additional 5 hours of Professional Services for version updates, during normal business hours, is included. Additional on-line or on-site support will be billed at your current hourly support rate. Minimum on-site time is calculated at 2 hours. ECS may allow planned after hours support in rare circumstances. In these circumstances Priority Support will be billed at double the hourly rate.	1	1,750.00	1,750.00
Your organization LSAP's expire on 06/15/2024 - Laserfiche imposes a 10% reinstatement fee for each month of an expired LSAP - support site access will be suspended if payment is not received by your expiration date		0.00	0.00
