

Planning for an Equitable Climate Safe Lake

Grant writing support funded by
Jessica Pyska, District 5 Supervisor
Moke Simon, District 1 Supervisor

Grant project funded by the Governor's
Office of Planning & Research

Grant Details

County of Lake – Lead Applicant

Co-Applicants:

Lake County Community Risk Reduction Authority (RRA)

Lake County Resource Conservation District (RCD)

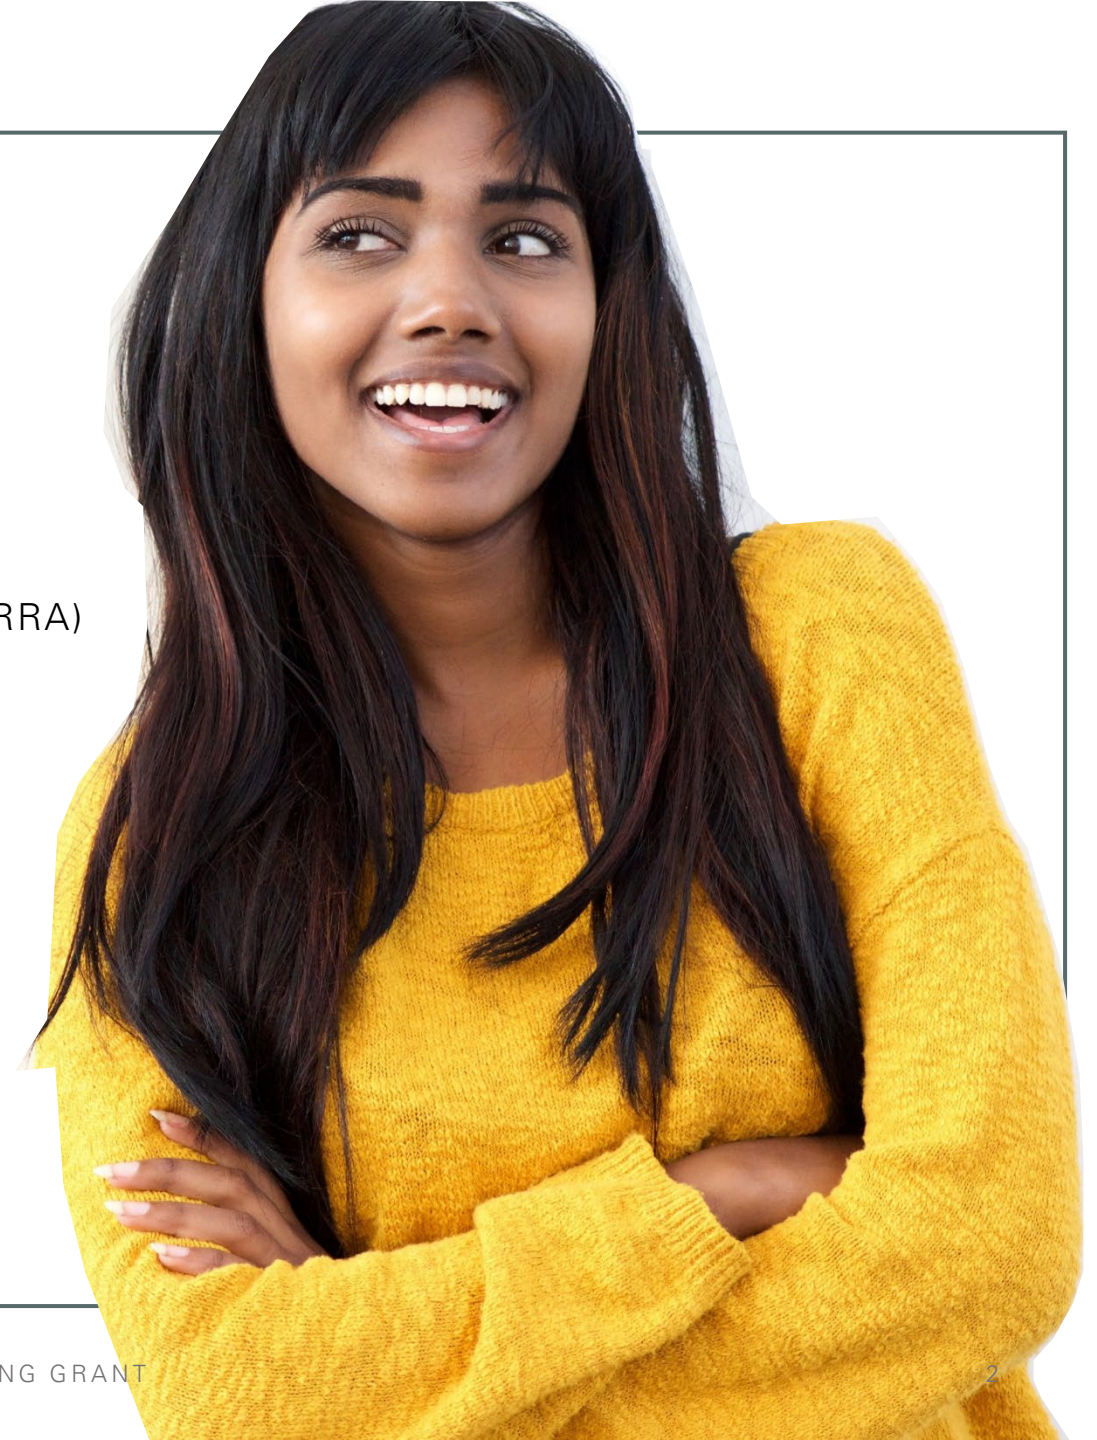

Lake County Fire Safe Council (LCFSC)

Grant Term:

October 9, 2023 – January 31, 2026

Award Amount:

\$649,350

/// The Planning for an Equitable Climate-Safe Lake project will assess and address climate change vulnerability, impacts, and develop adaptation solutions to build community resilience.

The Lake County Community Risk Reduction Authority will create and leverage an inclusive collaboration and existing risk planning documents to create a strategic climate adaptation plan, implement several actions from the Natural Hazards Mitigation Plan, and empower Lake County residents to survive and thrive in a changing environment. ///

Objective 1:

\$89,500

Embed Diversity, Equity, and Inclusion (DEI) values and actions into the Lake County Community Risk Reduction Authority membership and processes to ensure that *all* communities have equitable access and resources to manage and prepare for household level climate change driven hazards.

Objective 1:

\$89,500

- Diversity, Equity, and Inclusion (DEI) training for the RRA
- Confirm and maintain an all-inclusive RRA members and their active participation
- Equitable project development, planning, and implementation
- Confirmation of collaborative scoping through surveys

Objective 2: \$238,250

Assess Vulnerabilities and Create a Lake County Climate Adaptation Plan (CAP)

Objective 2: \$238,250

- Research existing literature
- Complete a Climate Vulnerability Assessment
- Complete and distribute draft framework for community input
- Write a full draft of a Climate Adaptation Plan (CAP) for Lake County
- Distribution of Draft CAP to public for comment

Objective 3: \$196, 900

Implementation of HMP Actions:

- #2: Enhance Public Education and Awareness of Natural Hazards and Public Understanding of Disaster Preparedness
- #13: County-wide Evacuation Plan
- #22 - Climate Adaptation Plan actions
- #40: Wildlands Fire Prevention Project

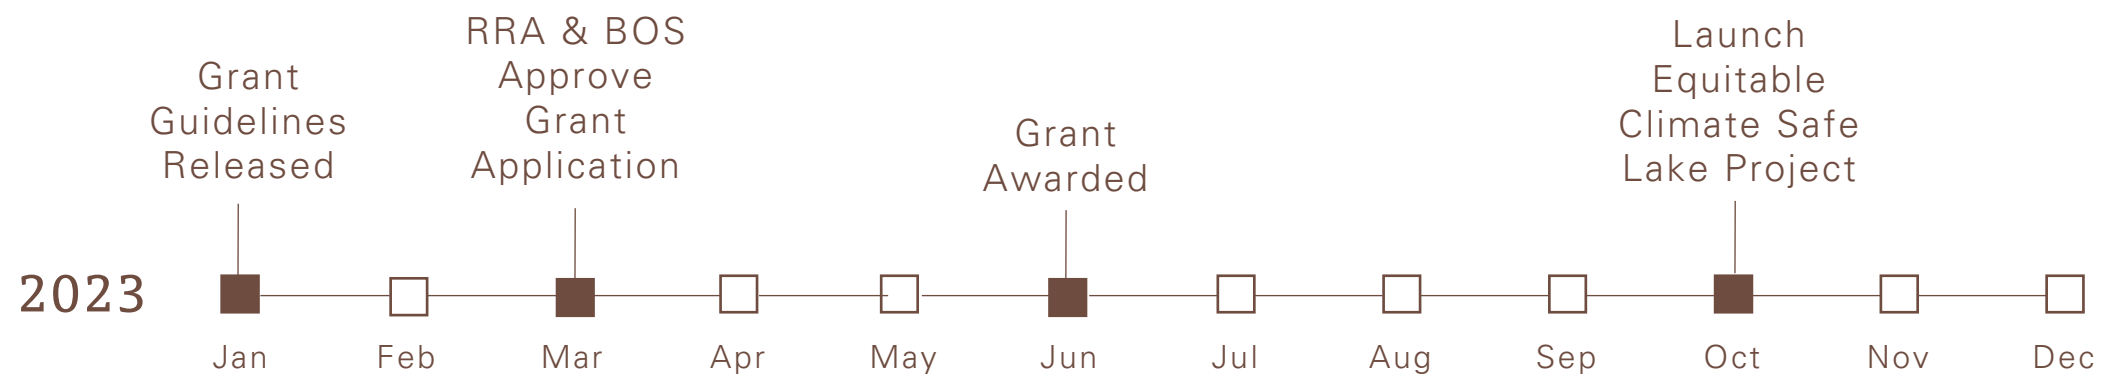

Objective 4: \$124,700

Support Partners, Track Progress,
and Evaluate Grant Outcomes:

- Ensure partner ability to participate in RRA project development and implementation
- Develop project management tracking system
- Project management and reporting

All grant tasks to be completed by January 31, 2026

Thank you
