

Being Safer from Wildfires

Can Help With Your Insurance

Safer from Wildfires is a ground-up approach to wildfire resilience with three layers of protection — for the structure, the immediate surroundings, and the community. Following these achievable steps can help you save money on your insurance.

Safer from Wildfires was created by an interagency partnership between Insurance Commissioner Ricardo Lara and the emergency response and readiness agencies in Governor Gavin Newsom's administration. Learn more at insurance.ca.gov

3 Ways to Get Started with **Safer from Wildfires**

Don't know where to start? Here are 3 low-cost steps you can take today.

Keep embers out

Installing 1/16 to 1/8 inch noncombustible, corrosion-resistant metal mesh screens over attic vents can keep wind-blown embers out of your house.

Clear the first 5 feet

Removing greenery and replacing wood chips with stone or decomposed granite 5 feet around your home prevents fire from getting a foot in the door.

Be safer together

With Firewise USA, communities as small as 8 dwelling units or as big as 2,500 can create an action plan and start being safer together. Firewise USA is a nationally recognized program with proven results, sponsored by the National Fire Prevention Association.

Do more, save more

Every action under **Safer from Wildfires** will qualify you for an insurance discount. By doing more, you can save more.
