SUPPLEMENTAL CONDITIONS

1. Safety and Patrol Boat

Event sponsors will ensure that a safety patrol boat(s) is present during event operations. Team members should include rescue divers, tenders, and boat operator. The patrol boat should also help secure the course area from non-event boats.

2. Aquatic Invasive Species Inspection

Ramp Coordinator, Bob Valdez, and a supporting ramp monitor will be present at the event at its entirety to inspect and screen all vessels. Failure to comply may result in up to a \$1000 citation for each item in violation, operators, and property owners.
