Subject: Quotation for RIMS Software

Date: May 8, 2017

The following is a quotation for software services to develop an interface to send inmate information from the RiMS InCustody JMS to the CorEMR product based on the interface specification document you provided.

Item	Price
RIMS InCustody to CorEMR Link Software	7,080
First Year Support and Updates	$1,062
TOTAL	**$8,142**

The interface will push data from the Sun Ridge Systems' InCustody product to the CorEMR product. The data that will be transferred to CorEMR will include Name, Inmate ID, DOB, SSN, Sex, Race, Height, Weight, Housing Location, Booking date, Booking Photo, etc. The data that will be passed is based on the Integration Information document provided by CorEMR, The file will be transferred to CorEMR using FTP. Lake County must allow a FTP connection from an InCustody workstation to the CorEMR system to facilitate the data transfer. The transfer will occur in real-time after the booking is complete or an update to the inmate record occurs.

This quotation is for RIMS software only and does not include any hardware, third party software or additional technical services that may be required to support this interface.

This quotation is good for 90 days *and may be changed after that*.

If you have any questions or wish to proceed please call me at 530-221-0663.
