**Subject:** Lake Pillsbury

I am a homeowner in the Lake Pillsbury Ranch. I believe truly that the dam at Lake Pillsbury should remain. I believe from what I see and have read that the number of wildlife that need the lake outweigh the need to keep trout flowing. During the fires last year, the lake was a very important resource for the firefighters. We will see more fires like that one and will need a good source of water to fight them. The Farmers need it, the Russian River needs it.....so please, please keep the dam. My family and I and future generations want to see the lake in this precious basin. It would be such a scar on the landscape if the dam were removed.

Sincerely,

Kareen Maskell
