### **Local Enforcement Agency Grant Program- Cycle EA30**

CalRecycle announces the acceptance of applications for the Local Enforcement Agency (LEA) Grant Program for fiscal year 2019-2020, EA30 beginning today, **March 19, 2019.**

The on-line application materials are located at:

<https://www.calrecycle.ca.gov/lea/grantsloans/lea/fy201920/>

Attached, please find a listing of your estimated grant awards, which you will use to complete your application.

Pursuant to Public Resources Code, Section 43230, these grant awards are to be used solely for support of the solid waste facilities permit and inspection programs.

#### **Please note:**

- Because you may receive funds in advance of expenditures, the California Department of Finance requires that you place the grant funds in an interest-bearing account and maintain a separate accounting system to track the grant funds and earned interest for audit purposes.
- Although CalRecycle expects to fund these grants, like all State grants, they are subject to funding availability.
- CalRecycle will measure the effectiveness of the LEA Grant Program through assessment of compliance at solid waste facilities and the effectiveness of associated LEA programs.

The application must be completed in the Grants Management System (GMS) on or before Tuesday, **April 23, 2019.** If the approved resolution is not submitted with the application, it must be uploaded to GMS by the secondary due date of Thursday, **May 23, 2019.**

Access to GMS is secure; therefore you must have a CalRecycle WebPass in order to log into the system. Applicants who have not previously obtained a CalRecycle WebPass can create an account at the [CalRecycle WebPass site](https://secure.calrecycle.ca.gov/WebPass/) (<https://secure.calrecycle.ca.gov/WebPass/>).

At this time, we would also like to encourage you to close out your EA29 grant as soon as you have expended the funds.

Should you have any questions or need further assistance, please feel free to contact Wendy Box at (916) 327-7078 or for GMS or resolution related questions, please contact Natalie Gandolfo at (916) 341-6809.

Thank you,

*Wendy Box*
