I've been in Lake county for about 2 years. I'm still learning my way around. I raised my family in Sonoma county. There I helped start the Pregnancy Counseling center. I was involved in church, raising 7 kids, and advisor to my husband's framing company, Warner Builders. I home schooled for many years, and went to the library regularly with my kids. We were involved in 4H. I worked (volunteer) with a juvenile advocacy

agency called Restorative Resources, and was trained to facilitate Restorative youth conferences. We moved to Hawaii in 2008, and were there until 2020. (My husband passed away in 2019.) While in Hawaii, I worked for the Department of Education for six years in different capacities. I was involved in a program that helped troubled youngsters adjust to school. That position involved orchestrating twice annual contract renewal meetings with the parents and staff members as well as social workers. I also taught a SPED class for one year. I had to retire and take up substituting when my husband entered hospice. I moved to Sacramento to be near family in 2020. It was covid time, and I did not get involved in any community activities there. I am currently settling into Lake county. I sub in the Middletown district. I love the Middletown library, especially the children's section, where I bring my granddaughter to enjoy the activities and books. I collect good children's literature. Much of what is replacing good literature in the schools does not develop thinking skills, empathy for others, and a good moral decision making foundation.

Briefly describe how your participation on this Board will help the Lake County Community: *

Most homes currently do not have a good library for their children to read the stories and articles that will assist them in life, particularly as they move on to college. I was astounded when I was talking to a 19 year old who had no idea who Mark Twain was, or had even watched the Disney movie Huckleberry Finn. Many of the books I see on the shelves in the schools are in the genre of CS Lewis, mythological stories of battles and magic. But CS Lewis books are classic masterpieces that address good and evil in a way which causes children to develop thinking skills and imagination. These are often missing from school libraries. I hope to bring my many years of experience reading and collecting children's literature to the table to make sure this valuable resource (the library) does not end up devoid of meaningful content.

LAKE COUNTY ADVISORY BOARD, COMMITTEE AND COMMISSION CONFLICT OF INTEREST POLICY

Policy

LAKE COUNTY ADVISORY BOARD, COMMITTEE AND COMMISSION CONFLICT OF INTEREST POLICY POLICY

In addition to any Federal or State conflict of interest requirements which may apply, no member of any Advisory board, commission or committee shall make, participate in making or in any way attempt to use their position to influence a decision in which he or she knows or has reason to know that he or she or their spouse has a financial interest. In all such cases, the affected member shall disclose his or her interests in the records of the board, commission or committee and shall refrain from participating in all discussions and votes concerning the matter in which he/she or his/her spouse has a financial interest.

The purpose of this policy is not only to avoid actual improprieties, but also the appearance of possible improprieties. Therefore, it is the policy of the Board of Supervisors that any doubts as to whether a member shall refrain from participating in a particular matter should be resolved in favor of non-participation.

While recognizing that state law and regulations may specify categories of memberships on certain boards, commissions and committees, to the extent possible, no one shall be appointed to a board, commission or committee which recommends funding allocations to community based organizations, who is (or whose spouse is) a director, or officer of an agency or organization which competes in the funding process before that board, commission or committee.

The Clerk of the Board of Supervisors shall provide all applicants for County boards, commissions and committees with copies of this Conflict of Interest Policy. Additionally, the County's staff to each board, commission, and committee shall assist in monitoring compliance with the conflict of interest policy. Monitoring shall include annual review of appointee circumstances as they may change during each appointee's term of

office.

All applicants shall state on their application for appointment what affiliation, if any, they or their spouse has with public service agencies. Additionally, all applicants shall certify prior to their participation as a voting representative of the Board of Supervisors that they have read this policy and can serve free of any conflict of interest. The certification will be made by an applicant/nominee by signing the application for their appointment. Further, should any conflict of interest arise during the appointee's term of office, the appointee shall so declare and abstain from participation on the proceeding and business as it relates to the area of conflict.

For those boards, commissions and committees which recommend funding allocations to the Board of Supervisors, no member shall participate in any discussions or decisions related to an agency of which the member or the member's spouse is a director or officer. Additionally, unless state law or regulation require otherwise, any such member shall also refrain from participation in discussions or decisions related to proposals which are in direct competition with a proposal submitted by the agency of which the member or member's spouse is a director or officer.

APPOINTMENT OF COUNTY EMPLOYEES TO ADVISORY BOARDS

(Policies & Procedures Manual, Section 1-7)

In order to further community involvement in County government and to further the independence of advisory boards, it shall be the policy of the Board of Supervisors to discourage appointment of County employees to those advisory boards which are intended to consist of independent citizens and/or community members.

We recognize that diversity is a strength and commit to promoting an inclusive and welcoming culture at public meetings and with each other to foster participation and representation across all our varied communities.

We practice civility by fostering a professional environment of courteous, respectful, and equitable treatment of our fellow members, elected officials, County staff and the residents we serve, through our words and actions whether we agree or disagree.

We are committed to fostering an environment free from violence, discrimination, intimidation, or harassment of any kind.
