*Includes county staff that are not a part of your county's Cal-OAR team but were involved in the partner and collaborator phase.

INDICATE WHETHER ALL THE REQUIRED PARTICIPANTS WERE INVOLVED IN THE REPORT DEVELOPMENT.

<p>Did all the required local partners and collaborators participate in the development of the Cal-CSA and Cal-SIP?</p> <p>(This includes county CalWORKs administrators, supervisors, caseworkers, current and former CalWORKs clients, and county human services agency partners.)</p>	<p>Yes/No; if No, please explain the circumstances as to why the required partners were not able to participate.</p>
<p>LCDSS internal team meet as frequently as was needed (minimum of weekly) and a subset of that group worked directly with the contractor as needed to review findings and develop the content provided in the CSA and SIP. In addition to the stakeholders listed above, forty CW clients attended client forums and shared their feedback in the CSA.</p>	<p>No. Not all external stakeholders were available during our Stakeholder review week. Lake County Behavioral Health, (MH/SUDS services) was involved in their own similar process at the time.</p> <p>Individual monthly meetings between LCDSS and partner agencies allow for ongoing communication and collaboration.</p>

The Appendix can be used to capture additional detailed information not already captured in the Cal-CSA report.
