7. GENERAL TERMS AND CONDITIONS. By your submission of a proposal, you agree to be bound by the following conditions:

7.1 To the fullest extent allowed by law, SEALED BID's will not be public record until discussion and negotiations with Respondent have been completed, as such premature disclosure would jeopardized the County's and the Respondents negotiating interests. If any bid contains trade secrets or other information that is confidential or proprietary by law, Respondent shall label all such pages with a stamped annotation such as: "**CONFIDENTIAL-PROPRIETARY TRADE SECRETS, DO NOT DISCLOSE**", and further, provide written notification to the County of its request to keep said information confidential. A Respondent's request for confidentiality must be made in writing and enclosed in the envelope containing the proposal. The proprietary or confidential data must be readily separable from the proposal in order to facilitate eventual public inspection of the non-confidential portion of the proposal.

7.2 The County reserves the right to cancel this SEALED BID at any time, even after opening of bids.

7.3 County is not liable for any costs incurred by bidder in the preparation, presentation or in any other aspect of the bid.

7.4 Disposition of bid(s) and Contract Award:

B. Failure to furnish all information requested in this SEALED BID or to follow the bid format may disqualify a bid.

County reserves the right to accept or reject all or any part of any bid, waive immaterial defects, informalities, irregularities, negotiate with all qualified Respondents, and award the contract to the firm or individuals, who, in the sole judgment of the County, best serves the interests of the County. The County may terminate negotiations if, in its opinion, they are unsuccessful and begin negotiations with other respondents.

D. A response to this SEALED BID is an offer to contract with the County based upon the terms, conditions, scope of work and/or specifications contained herein. County shall have no contractual or other obligation to a Respondent under any successfully negotiated contract until the contract has been approved and signed by both parties. 7.5 Respondent shall indemnify and defend County and its officers, employees, and agents against and hold them harmless from any and all claims, losses, damages, and liability for damages, including attorney's fees and other costs of defense incurred by County, whether for damage to or loss of property, or injury to or death of person, including properties of County and injury to or death of County officials, employees or agents, arising out of, or connected with the use of any copyrighted or uncopyrighted composition, secret process, patented or unpatented invention, articles or appliances furnished or used under this Request and any subsequent Contract, unless such damages, loss, injury or death is caused solely by the negligence of County.

7.6 Default by Respondent: In case of default by the successful Respondent, Lake County may procure the articles or services from other sources and may deduct from any monies due, or that may thereafter become due to the Respondent, the difference between the price named in the Purchase Order, Contract, or Agreement with said Respondent and the County's subsequent cost to obtain substitute articles or services. Prices paid by the County must be considered the prevailing market price at the time such purchase is made.

7.7 Lake County reserves the rights to amend, alter, or change the rules and conditions contained in this SEALED BID prior to the deadline for submission and to request additional data after the deadline. If it becomes necessary to do so, an addenda or supplements to the SEALED BID will be issued and shall become a part of the SEALED BID. The County is not responsible for any other explanation or interpretation. It is the responsibility of the Respondent to ensure that he/she has received all addendums and/or supplements prior to submitting a bid.

7.8 It is the County's intent that this Request for Quote (SEALED BID) permits competition. It shall be the Respondent's responsibility to advise the County in writing if any language, requirement, specification, etc., or any combination thereof, inadvertently restricts or limits the requirements stated in this SEALED BID to a single source. Such notification must be received by the County not later than three (3) days prior to the date set for acceptance of bids.

7.9 Errors and Omissions: If prior to the date fixed for submission of bids, a respondent discovers any ambiguity, conflict, discrepancy, omission or other error in the SEALED BID or any of its exhibits, it shall immediately notify the designated County contact of such error in writing and request modification or clarification.
