

**RESOLUTION NO. \_\_\_\_\_**

**RESOLUTION ADOPTING A LIST OF PROJECTS FOR FISCAL YEAR 2022-23 FUNDED BY  
SB 1: THE ROAD REPAIR AND ACCOUNTABILITY ACT OF 2017**

**WHEREAS**, Senate Bill 1 (SB 1), the Road Repair and Accountability Act of 2017 (Chapter 5, Statutes of 2017) was passed by the Legislature and Signed into law by the Governor in April 2017 to address the significant multi-modal transportation funding shortfalls statewide; and

**WHEREAS**, SB 1 includes accountability and transparency provisions that will ensure the residents of Lake County are aware of the projects proposed for funding in our community and which projects have been completed each fiscal year; and

**WHEREAS**, the County must adopt by resolution a list of projects proposed to receive fiscal year funding from the Road Maintenance and Rehabilitation Account (RMRA), created by SB 1, which must include a description and the location of each proposed project, a proposed schedule for the project's completion, and the estimated useful life of the improvement; and

**WHEREAS**, the County, will receive an estimated \$3,290,614 in RMRA funding in Fiscal Year 2022-23 from SB 1; and

**WHEREAS**, this is the 5th year in which the County is receiving SB 1 funding and will enable the County to continue essential road maintenance and rehabilitation projects, safety improvements, repairing and replacing aging bridges, and increasing access and mobility options for the traveling public that would not have otherwise been possible without SB 1; and

**WHEREAS**, the County has undergone a robust public process to ensure public input into our community's transportation priorities/the project list; and

**WHEREAS**, the County used a Pavement Management System to develop the SB 1 project list to ensure revenues are being used on the most high-priority and cost-effective projects that also meet the communities priorities for transportation investment; and

**WHEREAS**, the funding from SB 1 will help the County maintain and rehabilitate approximately one mile of road throughout the County this year and 3.4 miles of similar projects into the future; and

**WHEREAS**, the 2018 California Statewide Local Streets and Roads Needs Assessment found that the County's streets and roads are in a "poor" condition and this revenue will help us increase the overall quality of our road system; and

**WHEREAS**, the SB 1 project list and overall investment in our local streets and roads infrastructure with a focus on basic maintenance and safety, investing in complete streets infrastructure, and using cutting-edge technology, materials and practices, will have significant positive benefits throughout the County.

**NOW, THEREFORE IT IS HEREBY RESOLVED, ORDERED AND FOUND** by the Board of Supervisors, of the County of Lake, State of California, as follows:

1. The foregoing recitals are true and correct.
2. The following previously proposed and adopted projects may also utilize Fiscal Year 2022-23 Road Maintenance and Rehabilitation Account revenues in their delivery.
