Dear Planning Commission,

I am writing in support of farming and to support future farm projects in Lake County that will bring a positive impact the community. The existing farm on 6267 Kelsey Creek Drive and the new use permit will provide new jobs and new opportunities for the county. Please further promote and protect agriculture here in Lake County and approve Use Permit # UP20-90.

Thank you.

**Regarding: Cresta Properties LLC permit UP 20-90 located at 6267 Kelsey Creek Drive and
6245 Gold Dust Drive in Kelseyville**

We are hereby expressing our support for the aforementioned proposed farming cannabis operation, which we feel will help provide jobs and revenue to the county. We believe the owners are doing their due diligence to meet the regulation, and should be granted a permit to proceed. The County should be rewarding legal farming operations that meet their environmental and legal requirements.

Dear Planning Commission,

I am writing to you to tell you what wonderful neighbors I have. This family has come and invested in opening a business. Which brings taxes and investment into their community. They have improved Kelsey Creek. I believe they will be operating in the best interests of our community.

Please allow their permit at
6267 Kelsey Creek Drive with permit#UP20-90

Dear Lake County Planning Commission,

This letter is to express my outright support for project UP20-90 located at 6267 Kelsey Creek Drive, Kelseyville, CA.

I personally have known Mr. Svetozar Sabev and his family for more than 10 years. He is a very savvy businessman who has an outmost respect for his neighbors, community, and the environment. Sabev family are going to be a welcomed asset to our county.

Please further promote and protect the agriculture in Lake County and approve Use Permit UP20-90.

Respectfully,

Dear Planning Commission,

April 2, 2022

We are writing in support of farming cannabis in Lake County. We feel it has a positive impact in the community. It provides employment, new opportunities and revenue to county.

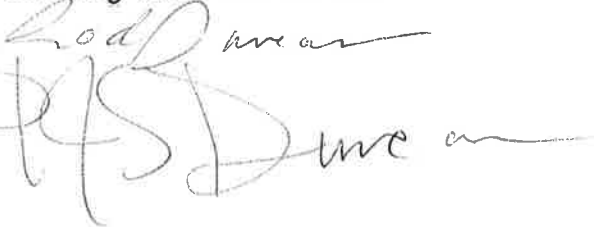

The existing farm at 6267 Kelsey Creek Drive in Kelseyville is waiting for approval of Use Permit #UP20-90. Granting this permit will protect the current agriculture land in Lake County. We are surrounded by agriculture and would like to keep it that way. Our neighbors at the above address are very mindful regarding this venture and have kept all the neighbors informed of their upcoming project. We are happy to have them in our community.

Thank you

Rodney and Pamela Duncan
