

I am a resident of the Hidden Valley Lake area. I support the Planning Commission's decision to reject the Major Use Permit UP 20-22 and the Planning Commission's decision to deny the Initial Study IS 20-25. I am in favor of the Board of Supervisor to uphold the commissioner's decision and deny WeGrow's application at 16750 Herrington Road.

I believe that having a cannabis grow in our area will have a negative affect on our community. Cannabis continues to be against Federal law. It does not encourage the cultural that I have enjoyed living in Hidden Valley for the past 20 years. I believe a cannabis grow invites criminal activities and problems related to use, theft, and issues related issues.

Thank you for supporting this community by denying the Major Use Permit UP 20-25.
