Dear Ms. Darby, Ms. Price and Mr. Porter,

I am writing in support of The Ripe Choice. Plain and simple, The Ripe Choice is a true asset to all of Lake County. Tammy and Mark have put their hearts and souls into making Lake County extra special to those of us who live here and a more attractive destination for visitors.

As a resident of Kelseyville for over 36 years I am truly grateful to Tammy and Mark for bringing their vision to Lake County. We should applaud them, not dissuade them.

Sincerely,  
Trena Moore Pauly
